- 14) Please add any comments regarding your aviation related consumer needs/preferences that would help us serve you (such as facilities, equipment, or services):

1) Need 500' of runway to accommodate larger aircraft 2) Need localizer approach on RW10 by 2006 since VOR's will be decommissioned in 2007 3) Need a larger aircraft parking apron 4) Fine GA Airport 5) competent management 6) Desperately need cross wind runway 7) More hangar spaces 8) Transportation at the airport. I have been there several times when I have had to beg for rides into town because there was no courtesy car available. Their needs were met by private individuals providing cars. 9) We do currently use the airport but we like to have that option for our customers.
