

## Façade Enhancement Loan Program

The City of Delaware is pleased to offer the Façade Enhancement Loan Program in partnership with local banks to assist the community and property owners in investing in and preserving buildings in the Downtown Historic District. The City has partnered with both the Delaware County Bank and Trust and Park National Bank to create this unique loan program.

### **Would you like to rehabilitate your downtown building façade?**

The Façade Enhancement Loan Program may be the right tool for you to finance your façade improvements.

#### **Loan Program Benefits:**

- Loans are offered with interest at a prime rate, minus 2%.
- The City of Delaware will then reimburse building owners for 1% of interest on the loan.
- Property owners are eligible for a loan of up to \$20,000 per building.

For More Information on How to Participate in the Loan Program, Contact:
