* The Hidden Valley Golf Course is owned and operated by the City of Delaware which is largely financed through City income tax dollars. Therefore, in order to be considered a "resident" in our fee process, you must live or work within the Delaware city limits or be the spouse or child (17 years old or younger) of such a person living in the same household. "Non-residents" applies to all others. Even though you may have a 43015 zip code or live within the Delaware City School District, you may not live within the Delaware city limits. Non-Residents do not financially contribute to Delaware City services through taxes and therefore will pay the higher membership rate. This will be verified.
