

For Immediate Release:

May 20, 2016

Bridge work to Close Block of South Sandusky Street

DELAWARE –Bridge deck rehabilitation work will occur June 20-30, requiring the closure of South Sandusky Street between Spring Street and William Street. Access to City Hall and the Colony House apartments will be maintained from the north. On-street parking restrictions will be in place for the entire block between William Street and Spring Street. Pedestrian traffic will be maintained. Public questions may be directed to the Customer Service Request Line at 740-203-1810.
