Petition to Ban "Circus Pages" from performing at the Delaware County Fairgrounds

As a child, I am sure most, if not many of you attended the Circus. It was exciting, thrilling, and amazing. Unfortunately, what we enjoyed watching as children has been exposed to be animal cruelty, neglect, and abuse. The circus that is scheduled to come to Delaware in a few short weeks, "Circus Pages", has been cited numerous times for the poor treatment of the animals in their show. Why, as a community, would we want to support such ill treatment of animals? The reality is, as kids...we did not "know better". Well...now WE DO. Once you know better, it is only ethical to DO BETTER. Please sign this petition to request Delaware County Commissioners and the Delaware County Fair Board cancel the contract with Circus Pages, as well as Delaware City Council to not provide the permit required. We asked that these three entities ban any circus from coming into the county or the city of Delaware

Thank you for your consideration to this disturbing matter.

Sincerely,

Beth Keener

- New Business Description
- Police Department Objection
- Community Objection
- Other : application for change in LLC membership interests

This is an application to permit the existing family (that owns the Corner Café Restaurant) to reorganize the business under the control of Theoplasti Velalis exclusively. Theoplasti Lelalis lost her husband to cancer last year (Dimitrios Velalis) and this has prompted the need to file this application as his widow intends to run/control the restaurant exclusively now. No change in operations or alcohol service will occur under the new membership.

**TITLE OF PROPOSED ORDINANCE/RESOLUTION:**

A RESOLUTION GRANTING PERMISSION FOR CIRCUS PAGES TO OPERATE A CIRCUS IN MARCH WITHIN THE CITY OF DELAWARE.

**BACKGROUND:**

Under Section 737.01 of the Delaware Codified Ordinances, a circus may not operate within the City without a license authorized by Council. Approval is to be granted unless it appears that the Circus will in any way endanger or threaten the public peace, property, health, safety, or welfare of the City. Once permission is granted by Council, the circus must provide a license fee, a bond certifying that the circus will remedy any and all damages and will clean up any refuse, litter, debris or dirt, proof of sufficient liability insurance.

A request has not been formally submitted by the Circus. The issue arose because it came to the City's attention on 3/24/16 that the Circus is scheduled to come to Delaware on Wednesday. Per a representative of the circus, the circus was unaware that it needed a permit. To date, the City has not received any of the remaining required documentation (bond, insurance).

**REASON WHY LEGISLATION IS NEEDED:**

The Circus cannot operate without a permit from the City. The Circus indicated that it has a show scheduled for Wednesday and that it did not know it needed a permit. Based on City Manager Homan's conversation with the circus, staff agreed to place this on the agenda for Council consideration.

- 
- New Fire Station 304 - Continuing
    - Property was purchased in 2011 at 821 Cheshire Rd. The property was leased out and the lease moved out on November 30, 2013. In 2014, we plan to begin the analysis and plans for an anticipated groundbreaking in 2016.
