

**CITY OF DELAWARE
PUBLIC WORKS/PUBLIC UTILITIES
COMMITTEE
CITY COUNCIL CHAMBERS
CITY HALL
1 S. SANDUSKY ST
7:00 P.M.**

AGENDA

JULY 5, 2016

1. ROLL CALL
2. APPROVAL of the Motion Summary for the meeting of the Public Works/Public Utilities Committee meeting held March 1, 2016, as recorded and transcribed
3. PUBLIC COMMENTS
4. UPDATE on Public Utilities Projects and Activities
 - A. UPDATE on AMI System
5. UPDATE on Public Works Projects and Activities
 - A. Troy Road Bike Way
 - B. 2016 Resurfacing Program
 - C. Pollock Road Pavement Slips/Repairs
 - D. Glenn Road (Sycamore to Berlin Station)
6. PRESENTATION and CONSIDERATION of Safe Walks Resolution of Necessity (Resolution 16-XX)
7. REVIEW of Transportation Plan Update
8. DISCUSSION of Potential Policy on Public Right-of-Way Memorial Displays
9. DISCUSSION of Downtown Refuse Collection (Update and Discussion of Refuse District)
10. STAFF COMMENTS

11. MEMBER COMMENTS

12. ADJOURNMENT

ITEM 2

PUBLIC WORKS/PUBLIC UTILITIES COMMITTEE
MOTION SUMMARY
March 1, 2016

ITEM 1. Roll Call

Chairman Shafer called the meeting to order at 7:00 p.m.

Members Present: Mayor Carolyn Riggle and Chairman Kent Shafer

Members Absent: Vice-Chairwoman Lisa Keller

City Staff Present: Brad Stanton, Director of Public Utilities and Bill Ferrigno, Public Works Director/City Engineer

Motion: Mayor Riggle moved to excuse Vice-Chairwoman Keller, seconded by Chairman Shafer. Motion approved by a 2-0 vote.

ITEM 2. APPROVAL of the Motion Summary of the Public Works/Public Utilities Committee meeting held January 5, 2016 as recorded and transcribed.

Motion: Mayor Riggle moved to approve the Motion Summary of the Public Works/Public Utilities Committee meeting held January 5, 2016, seconded by Chairman Shafer. Motion approved by a 2-0 vote.

ITEM 3. PUBLIC COMMENTS

There was no public comment.

ITEM 4. UPDATE on Public Utilities Projects and Activities

Mr. Stanton provided information and an update on Public Utilities projects which include:

- a. Bernard Avenue Storm Water Improvements
- b. Cooperative Boating Facility Grant
- c. Sanitary Sewer Collection System Master Plan
- d. Wastewater Plant Aeration System Improvements

Mr. Stanton provided an update of the Propagation Study completed by Mueller Systems for the placement of AMR. Mr. Stanton discussed the location of the Mi. Hub Collector locations, XR Repeater locations, and the estimated service area and meter locations. .

ITEM 5. UPDATE on Public Works Projects and Activities

- Downtown Refuse-Update

Mr. Ferrigno discussed the concerns over the Downtown Business Refuse collection and provided information on current curbside and rear collection. Mr. Ferrigno discussed that current collection date is scheduled for Monday, but due to some businesses being closed he considering a change of date until Wednesday.

Mr. Ferrigno discussed current violations that occur on the south-side of Sandusky in the business district. Mr. Ferrigno discussed the need to change the code to change the behavior. Mr. Ferrigno discussed the current code violation. Mr. Ferrigno proposed to modify the current code to give warning and then possible fines.

A discussion was held on fining property owners vs. tenants, and value of fines. Mr. Ferrigno to discuss code changes with the City Attorney and will email changes to the Committee.

ITEM 6. STAFF COMMENTS

A discussion was held over the frequency for the meeting. Committee members recommend the meeting be held quarterly with the possibility of additional meetings scheduled if needed.

ITEM 7. MEMBER COMMENTS

ITEM 8. ADJOURNMENT

Motion: Mayor Riggle moved to adjourn the Public Works/Public Utilities Committee meeting. The meeting adjourned at 7:33 p.m.

Kent Shafer, Chairman

Elaine McCloskey, Clerk

ITEM 6

FACT SHEET

AGENDA ITEM NO:

DATE: 6/27/16

ORDINANCE NO:

RESOLUTION NO: 16-XX

READING: First

PUBLIC HEARING: No

TO: Mayor and Members of City Council

FROM: R. Thomas Homan, City Manager

VIA: William L. Ferrigno, P.E., Director of Public Works/City Engineer

TITLE OF PROPOSED ORDINANCE/RESOLUTION:

A RESOLUTION OF NECESSITY FOR CONSTRUCTION OR REPAIR OF SIDEWALKS, CURBS, OR GUTTERS

BACKGROUND:

This resolution requires property owners to make repairs to sidewalks abutting their respective properties in accordance with City Codified Ordinance Section 909 and ORC 729.02 or to have repairs made by the city with associated costs assessed against the property. Properties in the west regions of the City were inspected by Public Works staff. Deficient sidewalk sections were identified and marked with a white dot for property owner responsibility and blue dot for city responsibility. A summary of the inspection is provided below. An information card was provided to each property owner where one or more deficiencies were identified on their respective property. Following approval of this Resolution, certified notices will be mailed to each affected property owner with more detailed instruction regarding the repairs of the sidewalk. Repairs are to be completed by May 31, 2017. Owners failing to comply with the required repairs will have repairs completed under the City Sidewalk maintenance Project in 2017 and be subsequently invoiced for the cost of the work.

REASON WHY LEGISLATION IS NEEDED:

The Safe Walks Program was developed in 2006 as a means to provide annual evaluation and repair to the city sidewalk network throughout the community. Every year, thousands of square feet of new sidewalk are constructed in association with land development activity adding hundreds of thousands of dollars in infrastructure value. Sidewalk maintenance however, goes largely unaddressed without the support of an annual evaluation and maintenance program in place. Since its inception, the Safe Walks Program has been largely successful and widely accepted as an efficient and appropriate means to maintain the sidewalk infrastructure throughout the City. The program has received solid support from the community.

COMMITTEE RECOMMENDATION:

N/A

FISCAL IMPACT(S):

Requires budgeting sufficient funding to cover the cost of completing city repairs, as well as the initial cost associated with private owner repairs covered by the city through the annual sidewalk maintenance program. Property owners are invoiced for the city's cost in completing repairs on their behalf.

City Responsible Repairs	16,627 SF @ \$195,954 (Preliminary Estimate)
Property Owner Repairs	25,830 SF @ \$307,727 (Preliminary Estimate)

POLICY CHANGES:

The Safe Walks Program will have completed a full evaluation of all areas of the City by the end of next summer. The program has been very successful, well received, and when complete will have addressed nearly 15,000 sidewalk hazards throughout the community. Following the final 2017 Safe Walks maintenance program, it is anticipated that the quantity of new deficient sidewalk sections will be substantially lower than have been identified over the last several years of the program. As such, a proposal will be made to revise the program to perform evaluations in association with the roads included in the annual street resurfacing program. Under this approach the city will continue identify and repair sidewalk hazards in a manageable program. Sidewalk deficiencies can also continue be reported at any time for repair, as current policy allows.

PRESENTER(S):

William L. Ferrigno, P.E., Director of Public Works/City Engineer

RECOMMENDATION:

Approval

MEMORANDUM

To: Mayor Carolyn Riggle and Members of City Council
From: Jackie Walker, Assistant City Manager
Date: May 17, 2016
Subject: Downtown Refuse District

I have been working with Joe Bullis, Public Works Superintendent and Terry Davenport, Refuse Crew Leader regarding the downtown refuse issues. It is obvious that there will need to be changes made legislatively to more productively enforce the regulations along with penalties that would encourage compliance to the new regulations.

The downtown refuse district is Sandusky Street from Spring to Central Streets, William Street between Franklin and Union Streets and Winter Street from Franklin and Union Streets. Goals 1&2 would require a longer lead time due to acquiring land and thorough communication with affected parties. What we have been able to determine is that we need more clear direction. To that end, we are providing the following information:

Proposed Goal #1: No trash or recycling of any sort, with the exception of the black metal containers, shall be permitted to be left curbside in the downtown refuse district.

General Proposed Resolution:

- City would need to purchase property throughout the downtown to place dumpsters that are centrally located. The City would then need to build proper dumpster enclosures with key cards and surveillance cameras in order to regulate and enforce illegal dumping.

OR

- City would need to purchase property throughout the downtown to place dumpsters that are centrally located. The City would then build proper dumpster enclosures without a key card or cameras. Every downtown business owner and landlord will pay for refuse through the City through a specified formula. Private commercial service would not be allowed. *(Please Note: In order to make this happen we would have to go to a six/seven day a week service or incorporate more land to hold additional dumpsters. The restaurant businesses downtown would need additional capacity to hold the weekend refuse generated.)*

Proposed Goal #2: Only curbside trash and recycling in City garbage totes permitted. Empty totes must be stored out of sight from the curb when not set outside for collection.

General Proposed Resolution:

- The City has enough garbage totes to provide all of the downtown businesses and residences. The City would need to purchase recycling totes for the refuse district.
- *Please note: We cannot perform restaurant food waste in tip carts. Our side load refuse vehicles are not designed to perform this task and it would be a huge mess in tipcarts. A large commodity of recycling in the business area would be cardboard and tip carts would not assist you with cardboard. We would also have the issue with recycling not being picked up throughout the weekend with restaurants.*

Proposed Goal #3: Address the garbage situation on the south block of Sandusky Street that involve the residents of 18-20 South Sandusky Street

General Proposed Resolution:

- The owner of the building is out of town. Staff has spoken with him on numerous occasions regarding the trash left on the street. The next step would be to change the City legislation to reflect that if trash is left on the street that it is immediately tagged and needs to be removed within 24 hours. If the City then has to remove it, the cost reflects an amount to the building owner that would encourage compliance. *(Please Note: We are assuming that trash would still be set out for Monday pick up only on the sidewalk with this scenario.)*

Staff is happy to move forward with the any goal that City Council sets. However, it is important to note that all of these goals and resolutions are divergent to current practices. Exceptions to new policy will be discouraged. Please let me know if you would like to discuss this further.
