CITY OF DELAWARE
PARKING AND SAFETY COMMITTEE
COUNCIL CHAMBERS
1 S. SANDUSKY ST.
7:00 P.M.

AGENDA

NOVEMBER 21, 2016

1. ROLL CALL

2. APPROVAL of the Motion Summary of the Parking and Safety Committee Meeting held August 16, 2016, as recorded and transcribed.

3. PUBLIC COMMENT

4. DISCUSSIONS

   A. The removal of 15 minute and 2 hour parking restriction signage at the southeast corner of East Lincoln Avenue and North Sandusky Street.

   B. The relocation of "No Parking from Here to Corner" signage located on the west side of North Liberty Street, north of West William Street.

5. NEW BUSINESS

   A. Status report update on Traffic Calming Measures and Crosswalk Installation and Enhancement Guide.

6. OLD BUSINESS

   A. The installation of parking signage restrictions on Firestone Drive.

7. COMMITTEE COMMENTS

8. ADJOURNMENT

PARKING AND SAFETY COMMITTEE
MOTION SUMMARY
August 16, 2016

ITEM 1. ROLL CALL

Chairman Shafer called the Parking and Safety Meeting to begin at 7:00 p.m.

Members Present: Councilman Chris Jones, Vice-Chairman George Hellinger, and Chairman Kent Shafer

Staff Present: Adam Moore, Delaware Police Captain, John Donahue, Fire Chief, and Jessica Omeroid, Project Engineer

ITEM 2. APPROVAL of the Motion Summary of the Parking and Safety Committee meeting held May 16, 2016, as recorded and transcribed.

Motion: Vice-Chairman Hellinger moved for the approval of the motion summary of the Parking and Safety Committee meeting held May 16, 2016, seconded by Mr. Jones. Motion approved by a 3-0 vote.

ITEM 3. PUBLIC COMMENT

ITEM 4. DISCUSSION

A. The Installation of No Parking Signage on Firestone Drive, specifically in the area between the cross streets Boulder Drive and Delaware Drive on Firestone Drive in the Sunnyview and Carson Farms Subdivisions.

Ms. Omeroid reviewed the request received for the No Parking Signage. Ms. Omeroid discussed past accident history. Captain Moore discussed input received from residents in the area in support or against the requested signage.

Chief Donahue discussed that currently there is parking allowed on both sides of the street and the street width can make it difficult for emergency vehicles to utilize the street during emergencies.

PUBLIC COMMENT:
Bill Brown
200 Firestone Drive
Delaware, Ohio 43015

Mr. Brown voiced his support against the parking restriction for the designated areas and voiced a concern that the restrictions could allow for drivers to increase their speed. Mr. Brown discussed recent emergency vehicles that

were able to access the area. Mr. Brown recommended that No Parking Signage be used at the last speed bump on one side due to visibility issues.

Greg Nance
175 Firestone Drive
Delaware, Ohio 43015

Mr. Nance voiced his support against the parking restrictions. He recommended that parking be restricted on the north-side of the street at the curve between Delaware Drive and Gold Dust Court due to visibility issues.

Carl Woolwine
167 Firestone Drive
Delaware, Ohio 43015

Mr. Woolwine voiced his support against the parking restriction and voiced concern regarding the bus stop location. Mr. Woolwine recommended parking restriction on north-side of the street by the curve.

Travis Irvan
163 Firestone Drive
Delaware, Ohio 43015

Mr. Irvan voiced his support in favor for the parking restriction and recommended the restriction continue down to Curtis Street.

Regie Powell
278 Firestone Drive
Delaware, Ohio 43015

Ms. Powell voiced her support in favor for the parking restrictions due to concerns regarding decrease visibility. Ms. Powell recommended the restrictions continue past Delaware Drive due to the increase traffic from new homes being constructed.

Betsy Belote
205 Firestone Drive
Delaware, Ohio 43015

Ms. Belote voiced her support against the parking restrictions and voiced a concern that the restrictions will cause an increase in speeding.

Dorothy Spain
374 Hearthstone Drive
Delaware, Ohio 43015
Ms. Spain voiced support in favor of the restrictions and voiced concern of

difficulty maneuvering car on street when cars are parked on both sides.

Ben Belote
205 Firestone Drive
Delaware, Ohio 43015

Mr. Belote voiced his support against the parking restrictions and voiced a concern that the restrictions will cause increase speeding. Mr. Belote recommended the increase of speed bumps in the area.

Mr. Jones requested that the speed trailer be placed on Firestone Drive. The Committee recommended that staff review the specific curve and provide recommendations and feedback for that area of Firestone Drive.

ITEM 5. NEW BUSINESS

A. Discussion of Multi-Way Stop Signage at Cobblestone Drive and South Houk Road.

Ms. Omeroid reviewed the request and discussed the past accident history for the area. Ms. Omeroid explained that staff recommends that the area does not warrant a Multi-Way Stop Sign.

Vice-Chairman Hellinger and Mr. Jones voiced agreement to staff recommendations.

ITEM 6. OLD BUSINESS

A. Update: The Renaming of US 23 Access Road to Kingman Hill Drive.

Ms. Omeroid discussed the history of the request and the background for the residents that support and oppose the renaming. Ms. Omeroid informed the Committee that ODOT, Liberty Township, and Delaware County is supportive of the name change.

Motion: Vice-Chairman Hellinger moved to recommend the approval of the renaming of US 23 Access Road to Kingman Hill Drive, seconded by Mr. Jones. Motion approved by a 3-0 vote.

B. Update: The Installation of a Multi-Way Stop at Cambridge Drive and Ablemarle Drive

Ms. Omeroid reviewed the request and provided staff recommendation that the request was not warranted and for staff to continue to monitor the intersection.

ITEM 7. COMMITTEE COMMENTS

Mr. Jones requested an update regarding the Multi-Way Stop Sign placed on Cobblestone.

ITEM 8. ADJOURNMENT

Motion: Vice-Chairman Hellinger moved to adjourn the meeting. The Parking and Safety Committee Meeting adjourned at 7:40 p.m.

Jessica,

A resident stopped Lobo in the field today and asked if we could remove the 15 min and 2 hour parking restrictions in this area as the business that used to be in this home is no longer present. I told the resident the city will be replacing the signs at a later date this year and we would look into it.

November 11, 2016

Dear Resident:

Members of City Staff met recently to discuss a request to remove the current 15 minute and 2 hour parking restrictions signage on the east side of North Sandusky St., just south of East Lincoln Avenue. These restrictions were put into place due to a business that had been located in the area. As the business is no longer there, City Staff will recommend that the parking restrictions be removed. The Parking and Safety Committee will consider this recommendation at the next meeting.

You are invited to attend this meeting to express your views or present any questions in regards to this request. The meeting will be held Monday, November 21, 2016 at 7:00 pm in City Council Chambers, City Hall, 1 South Sandusky Street, Delaware, Ohio. If you cannot attend this meeting, but wish to provide a statement, please feel free to email me at bpijanowski@delawareohio.net; or call me at 740-203-1101.

Sincerely,

Bruce L. Pijanowski, Chief of Police
Delaware Police Department

Julie,

Please add this to the Parking & Safety meeting agenda. Jessica will be reviewing the request prior to the meeting and has a copy of the drawing that is referenced (a scan is attached).

She also mentioned in another email that some vehicles on N Liberty St do not seem to be moved/may be inoperable and I will send this to Rodney James to see if he can mark the tires and address any violations with regard to extended on-street parking.

Thank you.

Linda

Subject: No parking signs

To clarify the drawing I left at the office for NO PARKING signs

The south side of Coventry Rd needs NO PARKING HERE TO CORNER heading east to the stop sign at Euclid Ave

The west side of Euclid Ave needs NO PARKING HERE TO CORNER signs on both the north and south side of Coventry Rd and the north side of Hayes Ave

Euclid could use NO PARKING / STOPPING / STANDING on the west side of Euclid between Pennsylvania Ave and Hayes Ave as this is a main north/south route in Delaware that handles lots of traffic

15 N Liberty: The NO PARKING HERE TO CORNER needs to be moved farther north to accommodate the traffic stopped at the light at Liberty and W William. The lane only allows for 3-4 cars, and anyone wanting to make a left turn (east) on to W William goes around the cars backed up crossing into the south bound traffic on Liberty. There is an alley between W William & W Winter and parking behind all of the houses

November 11, 2016

Dear Resident:

City Staff was recently asked to review a request to limit parking on the W. side of N. Liberty St. between W. William St. and W. Winter St. Of concern is the amount of traffic backing up beyond parked vehicles and the inability to access the through lane of traffic once that happens. City Staff will be making a recommendation to further restrict parking on N. Liberty St. due to this safety concern.

You are invited to attend this meeting to express your views or present any questions in regards to this request. The meeting will be held Monday, November 21, 2016 at 7:00 pm in City Council Chambers, City Hall, 1 South Sandusky Street, Delaware, Ohio. If you cannot attend this meeting, but wish to provide a statement, please feel free to email me at bpijanowski@delawareohio.net; or call me at 740-203-1101.

Sincerely,

Bruce L. Pijanowski, Chief of Police

Mr. Stephens,

This topic was discussed at the staff level prior to the August Parking & Safety meeting as well as at the August P & S meeting. Residents along Firestone Dr from Delaware Dr to Boulder Dr were invited to attend and provide feedback. The feedback was mixed, some for and some against any parking restrictions.

The P & S Committee members requested that this be returned to staff for reconsideration and that new speed data be collected. Staff will discuss the topic and review the newly collected data at a pre-Parking & Safety meeting and present a recommendation to the Parking & Safety Committee at their next meeting on Monday, November 21st. All residents that were invited to the August meeting will again be invited to attend the November meeting.

Hopefully this provides you an update and that you will be able to attend the November P & S meeting.

All,

This item was discussed at the P&S pre-meeting in July and at the P & S meeting in August. Residents along Firestone Drive from Delaware Drive to Boulder Drive were invited and there were quite a few residents that did attend to voice their concerns. Some were for and some were against any parking restrictions. The Parking & Safety Committee members asked that staff review the area again, collect new speed data and provide a recommendation at the next meeting in November. Marion collected new speed data in September which I have attached to this email. Also, as reported at the last P&S meeting, there have been no accidents related to parked vehicles. Staff will need to discuss this issue again at the next P&S pre-meeting scheduled for November 3rd and formulate a final recommendation to provide the Committee Members at the next P&S meeting on November 21st. The residents that were invited to the last P&S meeting should also be invited again to the meeting in November.

Has this been discussed by staff as of yet? Why I agree with Mr. Stephens reasoning, the negative impact will be to increase vehicle speeds through the corridor which we already receive numerous speeding complaints from. Also, because this issue would impact many property owners, it should be heard at a P&S meeting with all neighborhood residents notified in advance.

6A

Marion -

What Stealth data do we have in this area?

November 11, 2016

Dear Resident:

The Parking and Safety Committee discussed a request to consider the installation of "No Parking" signage on a portion of Firestone Dr. at the Parking and Safety Meeting held on August 15, 2016. No decision was reached, and the Committee asked for further review of the request.

City Staff has again reviewed the issue, and is prepared to recommend that a no parking zone be established on the inside curve of Firestone Dr. in the area roughly between Delaware Dr. and 187 Firestone Dr. This will improve the current sight obstructions on the curve, but minimize the loss of parking.

You are invited to attend this meeting to express your views or present any questions in regards to this request. The meeting will be held Monday, November 21, 2016 at 7:00 pm in City Council Chambers, City Hall, 1 South Sandusky Street, Delaware, Ohio. If you cannot attend this meeting, but wish to provide a statement, please feel free to email me at bpijanowski@delawareohio.net; or call me at 740-203-1101.

Sincerely,

Bruce L. Pijanowski, Chief of Police
Delaware Police Department
