TITLE OF PROPOSED ORDINANCE/RESOLUTION:
A RESOLUTION GIVING CONSENT TO THE DIRECTOR OF THE OHIO DEPARTMENT OF TRANSPORTATION FOR THE COMPLETION OF BRIDGE INSPECTION SERVICES WITHIN THE CITY OF DELAWARE AS PART OF THE STATE BRIDGE INSPECTION PROGRAM.

BACKGROUND:
The City of Delaware (CITY) has determined the need for annual inspections of qualified highway bridges in accordance with State regulation. In 2017, the City entered into a three year agreement with the Ohio Department of Transportation (ODOT) to perform the inspections for all public highway bridges at no cost to the CITY. The current bridge inspection programing will expire in December 2019. ODOT is in the process of renewing this program for three (3) more years. The new agreement will be for the inspections performed in 2020, 2021, and 2022. ODOT is hiring four (5) consultants to perform similar tasks as before, such as bridge inspections, load ratings, and any other requirements set by the FHWA in the publication Metrics for the Oversight of the National Bridge Inspection Program. ODOT is requiring a new resolution to renew the agreement between ODOT and the CITY. Please see the consent form provided in the attachment and Scope of Services for additional details.
**REASON WHY LEGISLATION IS NEEDED:**
Passage of this Resolution authorizes the City Manager to enter into a cooperative agreement with ODOT to perform the annual bridge inspections for the next three (3) years.

**COMMITTEE RECOMMENDATION:**
N/A

**FISCAL IMPACT(S):**
By entering into this agreement with ODOT the CITY will secure a savings of approximately $20,000 in inspection costs annually over the next three (3) years that would otherwise be borne by the City to maintain compliance with State regulations.

**POLICY CHANGES:**
None, by entering into this agreement the CITY will continue a policy that was enacted in 2017.

**PRESENTER(S):**
William L. Ferrigno, P.E., Public Works Director/City Engineer

**RECOMMENDATION:**
Approval

Scope of Services – Exhibit A
RESOLUTION NO. 19-38

A RESOLUTION GIVING CONSENT TO THE DIRECTOR OF THE OHIO DEPARTMENT OF TRANSPORTATION FOR THE COMPLETION OF BRIDGE INSPECTION SERVICES WITHIN THE CITY OF DELAWARE AS PART OF THE STATE BRIDGE INSPECTION PROGRAM.

WHEREAS, the City of Delaware has determined the need for annual inspections of qualified highway bridges in accordance with State regulation; and

WHEREAS, the City in cooperation with the Ohio Department of Transportation, desires to participate in the Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical-findings reports, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF DELAWARE, OHIO THAT:

SECTION 1. Being in the public interest, the City gives consent to the Director of Transportation to complete the above described project for a three year period commencing in 2020;

SECTION 2. The State shall assume and bear 100% of all of the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant’s Scope of Services Task Order Contract (Exhibit A).

SECTION 3. The City agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the City. Starting in October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.

Section 4. The City agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.
SECTION 5. That this resolution shall be in force and effect immediately upon its passage.

   Task 1B - Scour Plan-of-Action
   Task 1C – Scour Analysis

Task 2 - Load Rating Tasks
   Task 2A - Field Measurements for Load Rating
   Task 2B - Load Rating Calculations

Task 3 – SMS Structure Inventory and Review

Task 4 – Inspection Procedures
   Task 4A - Fracture Critical Plan
   Task 4B – Underwater Inspection Procedures

Task 5 - Bridge Inspection
   Task 5A – Routine Bridge Inspection
   Task 5B – Fracture Critical Inspection
   Task 5C – Underwater Dive Inspection

Services shall be conducted in accordance with the following:

- ODOT Manual of Bridge Inspection, Latest Version
- ODOT SMS Bridge and Inventory Coding Guide, Latest Version
- ODOT Bridge Design Manual, Section 900), Latest Version
- Hydraulic Engineering Circulars 18, 20 and 23
Publication

- Underwater Bridge Inspection, FHWA Publication Number: FHWA NHI-10-027, Publication Year: 2010

The CONSULTANT shall maintain a project cost accounting system that will segregate costs for individual task orders. The invoicing progress reports shall be detailed enough to show the breakdown of each assigned structure indicating the status of all subtasks. Completion of the individual subtasks in necessary for reimbursement credits.

The Department will be performing an annual Quality Assurance Review (QAR) for each selected consultant in accordance with Manual of Bridge Inspection to ensure accuracy and consistency of the inspection and documentation in SMS. This typically includes an office and field review.

The project will be divided into four (4) sub-projects (SP). A CONSULTANT will be selected for each sub-project. Municipalities opted into the previous inspection program will have the option to renew their legislation. Municipalities with population greater than 50,000 people are excluded from the program. The sub-projects have the following general geographic areas, category characteristics, and maximum contract values for the municipalities with municipal inspection responsibility obtained from SMS data as of March 2019.

* Level 1 bridge inspection structures  
** Tasked as budget allows w/priority for NBI bridges
Please note that the total number of structure types is estimated based on current SMS data query, and it may be adjusted when tasks are assigned in the future.

**UNDERSTANDING**

1. Inspections shall be completed by firm’s full-time staff prequalified with ODOT for Level 1 bridge inspection according to the Manual of Bridge Inspection.

2. Task order are intended for maintaining compliance with the FHWA 23-Metrics, Ohio Revised Code, and ODOT policy manuals. Deadlines set by the task orders shall be respected.

3. All reports and records compiled under this agreement shall become the property of the City or Village and shall be housed in the City or Village. ODOT shall receive an electronic copy of plans, analysis files, reports and other items mentioned below.

   a) CONSULTANT shall perform all applicable updates to SMS with new or revised information for structure inventory and appraisal data, inspections, scour, fracture critical members, and load ratings.

   b) CONSULTANT shall submit copies of all reports and calculations electronically, or in hard copies when requested, to the City or Village for inclusion in their bridge records.

   c) This includes, as applicable, a printed copy of the inspection report, Scour Plan-of-Action, Fracture Critical Plan, load rating report, gusset plate analysis, inspection procedures, and field measurement notes, digital pictures as well as a reproducible digital data file (.pdf, .doc, .xml, and .xls formats).

4. Copies of all transmittal letters related to this Task Order shall be submitted to Central Office, Office of Structural Engineering.

   a) When required, CONSULTANTS shall locate the original construction plans, as-built, and shop drawings from archive locations specified by the municipality and upload them onto SMS.

**Services to be furnished by CONSULTANT may include:**

**TASK 1 - SCOUR TASKS**

**Task 1A – Scour Critical Susceptibility NBIS Item 113** - The CONSULTANT shall refer to the most recent ODOT Manual of Bridge Inspection. Deliverables include field notes, a completed Scour Critical Assessment Checklist as per Appendix I of the 2014 Manual of Bridge Inspection, and any other reference material needed for the bridge
owner to properly maintain their bridge files. Channel photos or cross sections maybe tasked under this item if assigned.

**Task 1B - Scour Plan-of-Action** - The CONSULTANT shall refer to the most recent ODOT Manual of Bridge Inspection Appendix H for the scope of this task. Deliverables include a completed Scour Plan-of-Action, field notes, calculations, and any other reference material needed by bridge owner to maintain bridge files.

**TASK 2 – LOAD RATING TASKS**

**Task 2A - Field Measurements for Load Rating** - Should no plans exist or if additional information is required, each main member shall be field measured for load rating. The condition of the member should be noted on the field documentation. All measurements shall be included in the load rating report.

**Task 2B - Load Rating Calculations** – A bridge carrying vehicular traffic shall be rated to determine the safe load carrying capacity. The CONSULTANT shall review existing bridge plans and inspection reports and other inspection information such as photographs and estimates of section loss for bridge members and connections. The analysis for existing structures shall be performed for AASHTO HS20-44 [MS 18] (truck, lane, & military) loading for both inventory and operating levels, and for the four Ohio Legal Loads including the special hauling vehicles (2F1, 3F1, 4F1, and 5C1, SU4, SU5, SU6, SU7, EV2, and EV3) at operating level. The CONSULTANT shall try to complete the load rating analysis utilizing BrR (Virtis) at first. Hand-calculations or Spreadsheets if BrR is not applicable. The BrR analysis file, other load rating files, and BR100 shall be included with the submittal to OSE.

The inventory and operating ratings shall be coded as per the most recent version of the ODOT Bridge Inventory Coding Guide. Update SMS Inventory with the load rating results and upload BR100 pdf file.

The electronic deliverable shall include if applicable an Excel spreadsheet or other files used for analysis for each bridge which shall include the member areas, member capacities both with and without section loss, influence lines (can be the ordinates or graph of the lines), dead loads and dead load stresses in members, live loads and live load stresses in members for all truck loadings and the load ratings of the members. Truck loadings to be used for the ratings are specified in BDM Section 900.

The Load Rating Report shall be prepared by a registered or non-registered engineer and it shall be checked, signed, sealed and dated by an Ohio Registered Professional Engineer.

The Load Rating Report shall explain the method used to calculate the load rating of each bridge.
AASHTO Load Factor Rating (LFR) shall be utilized for all bridges not designed by Load and Resistance Factor Design. AASHTO Load and Resistance Factor Rating (LRFR) shall be utilized for all structures designed for HL93 loading starting October 2010.

Load Rating Report Submittal to the City or Village shall include:

a. Two (2) printed copies and one electronic pdf copy of the Load Rating Report for each bridge.

b. Final summary of inventory and operating ratings for each member and the overall ratings of the structure shall be presented for each live load truck. An acceptable format is ODOT form BR-100.

c. Analysis program input files. Both input and output files shall be submitted when programs other than BrR or spreadsheets are used.

d. All calculations related to the load rating.

e. If applicable, the weight limits posting recommendations including a copy of the standard posting sign; such as R12-1 (24” x 30”), R12-H5 (30” x 48”), and R12-H7 (30” x 30”).

**TASK 3 – SMS STRUCTURE INVENTORY AND REVIEW**

The scope of this task includes a limited review of the structure inventory data in the ODOT SMS. In general, the CONSULTANT shall review specific existing ODOT bridge inventory records (as provided by the City and approved by ODOT) of the designated bridge. The CONSULTANT may download the inventory report, which contains inventory data for each bridge on file with ODOT from the ODOT website. The CONSULTANT shall verify this data and determine if the ODOT SMS structure file information needs changing. If no changes are necessary, then no SMS inventory needs to be filled out. If changes are necessary, the scope of this task shall also include completing and filing inventory updates (and supplements, as needed) in SMS. The CONSULTANT shall refer to the ODOT Office of Structural Engineering Inventory and Coding Guide of SMS for inventory coding details.

**TASK 4 – INSPECTION PROCEDURES**

Task 4A – Fracture Critical Plan – A Fracture Critical Member Plan and inspection procedure shall be developed and updated. For more details, refer to Chapter 4: Inspection Types in the Manual of Bridge Inspection. It shall include:

1. Sketches of the superstructure with locations of all fatigue and fracture prone details identified.
   a. Use framing plan or schematic with detail locations labeled and a legend explaining each labeled item on the scheme.
b. Use an elevation view for trusses.
c. Classify similar fatigue/fracture prone details as types (e.g. end of partial cover plate).

2. A table or location of important structural details indicating:
   a. Type of detail (e.g. end of partial cover plate, short web gap, etc.)
   b. Location of each occurrence of detail
   c. AASHTO Fatigue Category of detail
   d. Identify retrofits previously installed

3. Risk Factors Influencing the inspector access.

Photos and sketches shall be properly referenced. The CONSULTANT shall refer to the most recent ODOT Manual of Bridge Inspection for additional details on the scope of this task.

**Task 4B – Underwater Inspection Procedures** – An underwater inspection procedure shall be developed. For more details, refer to Chapter 4: Underwater Inspections in the Manual of Bridge Inspection. Please note that ODOT has recently revised Appendix F of the inspection manual. The diving team shall fill out or update the new form and upload it on SMS prior to performing the actual dives. Please contact OSE for a copy of a blank form if not uploaded on SMS at the time.

**TASK 5 – BRIDGE INSPECTION**

**Task 5A – Routine Bridge Inspection (SMS Input)** - Perform a routine field inspection of the structure to determine the general condition. The CONSULTANT shall refer to the most recent ODOT Manual of Bridge Inspection for additional details on the scope of this task. Section 1111 of the Moving Ahead for Progress in the 21st Century Act (MAP-21) modified 23 U.S.C.144, requires Ohio to report bridge element level data for NBIS bridges on the National Highway System (NHS) to FHWA. A condition rating or element level inspection will be assigned. This task includes: Condition Rating Inspection for non-NBI structures, Condition Rating Inspection for NBI structures, and Element Level Inspection for NBI classified as NHS.

**Task 5B – Fracture Critical Inspection** - Perform a fracture critical field inspection of fracture critical items. The CONSULTANT shall update the FCM inspection procedure with current photos and descriptions. The CONSULTANT shall refer to the most recent ODOT Manual of Bridge Inspection for additional details on the scope of this task.

**Task 5C – Underwater Dive Inspection** – Perform Underwater/ In-Water inspection of substructure units according to the cycle shown in SMS. Emergency underwater inspection may arise for specific structures over the duration of the contract period. Work shall be done in accordance with the reference manuals and inspection procedure. Scour risk shall be evaluated after field and data collection.

TO:             Mayor and Members of City Council
FROM:    R. Thomas Homan, City Manager
VIA:      Dean Stelzer, Finance Director

TITLE OF PROPOSED ORDINANCE/RESOLUTION:
A RESOLUTION ACCEPTING THE AMOUNTS AND RATES AS DETERMINED BY
THE BUDGET COMMISSION AND AUTHORIZING THE NECESSARY TAX
LEVIES AND CERTIFYING THEM TO THE COUNTY AUDITOR FOR TAX YEAR

BACKGROUND:
Before October 1st of each year, the City is required by Ohio Revised Code to
authorize through resolution the tax levy rates for the upcoming budget year.
These rates provide the County with an amount to tax each landowner within
the taxing district in order to collect the amount due to the City for real estate
taxes in the next calendar year.

REASON WHY LEGISLATION IS NEEDED:
Ohio Revised Code § 5705.34 requires “Each taxing authority, by ordinance or
resolution, shall authorize the necessary tax levies and certify them to the county
auditor before the first day of October in each year”

PRESENTATION ITEM B:

PROS Consulting Inc.
MEMORANDUM

TO: Mayor and Members of City Council
FROM: R. Thomas Homan, City Manager
VIA: Kyle Kridler, Assistant City Manager
DATE: August 22, 2019
RE: YMCA/City of Delaware Partnership Update & PROS Consulting

PARTNERSHIP UPDATE:

On Monday, August 19, members of the YMCA Team and the City of Delaware met for the weekly partnership coordination meeting as agreed upon in the 60 Day Plan. Overall, the meeting between the two parties was productive and went well. Since the partnership has solidified that Lolita Haverlock is the POC from the YMCA and Ted Miller is the POC for the City, communications have gone much better. The YMCA continues to work the 60 Day Plan (see updated attached) and will be putting it in a different format so that both parties will be able to show progress, dates and status with each item.

There were two separate meetings with the YMCA on Monday. The first was on the partnership itself, and the second was to talk specifically about facilities maintenance.

From the YMCA’s side, Tony Collins, Lolita Haverlock and Kim Jordan were there to talk about the partnership while Spencer and Blake were present to talk about maintenance. Ted Miller and Kyle Kridler were present from the City to talk partnership and Stacy Davenport was there to talk maintenance.

High-level, the YMCA is still committed to the partnership and is working to make it a success. Mr. Collins had some legitimate questions about the future of our partnership and where the City stands. Both parties have separated the partnership into three distinct categories.

1. The Delaware/YMCA Rec Center
2. Mingo/JFlo (Outdoor Pool)
3. Rec Services/Programming
In the light of transparency, the Mr. Kridler gave his honest feedback to Mr. Collins and the YMCA Team on what he believed the temperature is for where City currently stands. Mr. Collins did watch the Youtube video from Delaware’s previous Council meeting on August 12, so he is fully aware of how fragile the relationship currently is.

There are feelings of frustrations on both sides being the YMCA and the City of Delaware. From a more practical standpoint, Mr. Collins and his team are wanting to know the future of each of the categories, so that they may plan accordingly. Like the City of Delaware, the YMCA is preparing for their budget season and if one of the above partnerships were to change, both the City and the YMCA will need to plan accordingly. When asked about the future of 1, 2 and 3 above, Mr. Kridler was candid with their team. He said that some of Delaware City Council has voiced concerns (as displayed on the City Council Meeting video) and that City staff has been directed to begin evaluating costs and options for future discussion. Mr. Kridler stated that in his opinion, Council has not yet given staff full direction on the absolute future of each of the distinct partnerships but have been directed to explore what those impacts would look like.

Mr. Collins reiterated their commitment to Delaware and the partnership. The City of Delaware staff present also reiterated their commitment to the partnership and moving forward the best way possible. The YMCA also shared with the City that they will be providing a member/program satisfaction survey.

Moving forward, both the YMCA and City agreed to have very focused conversations for the next three meetings. Here are the upcoming topics in sequential order:

1. Rates & Pricing
2. Staffing
3. YMCA Rental Policy to Outside Agencies

The above are items have been some of the biggest points of contention, so it is a great step in the right direction in receiving information from the YMCA and proposals on new approaches.

The rental policy is a dialogue the YMCA is open to having with the City. Mr. Collins and his team are thinking through how best to approach this item but are open to the conversation. Per the agreement with Delaware as it stands currently, they are within their right to say "no" to outside organizations wanting to rent space, but staff believes that Mr. Collins and their team are wanting to work with the City to see if a resolution can be found that works for both parties and ultimately the community.
The facilities discussion also went well. There are several items that were addressed and both parties agreed to ongoing meetings to specifically talk about maintenance/facilities issues to increase communication and service levels.

**PROS CONSULTING:**

City staff has started initial conversations with PROS Consulting, Inc to evaluate conducting a Parks and Recreation Master Plan for the City of Delaware. Per their website, “PROS Consulting, Inc is a full-service management consulting and planning firm focusing on services to government and not-for-profit agencies. Headquartered in Indianapolis, Indiana with a full-service office in Phoenix, Arizona, the PROS Team has worked on more than 900 projects in 46 states and 7 countries.” (http://prosconsulting.com/)

As Council may be aware, Ted Miller has recommended conducting a Parks Master Plan being as the most recent plan was completed eight years ago and the needs and interests of the community have likely evolved given the City's growth. Staff also believe that the timing for a Parks and Recreation Master Plan is ideal given the current Comprehensive Plan which is being led by Planning.

Presenting at the upcoming City Council meeting on Monday, August 26 will be Mr. Austin Hochstetler who is a Senior Project Manager with PROS Consulting, Inc. Prior to the City Council meeting, Mr. Miller and Mr. Kridler will be meeting with Mr. Hochstetler to provide additional background about the Delaware community and the current Parks and Recreation program. Please find attached a sample Master Plan Technical Report provided by PROS Consulting.
Delaware 60 Day Plan

The YMCA of Central Ohio strives to be a strong partner in serving the residents of the City of Delaware along with the YMCA members who utilize the Delaware YMCA. The following action items are tactical in nature and are meant to provide a successful close to the 2019 summer. These items are not intended to be a complete list of all actions that will be taken at the three Delaware facilities identified in the partnership. This list is intended to highlight specific actions that are in response to some of the challenges that have been presented during the spring and summer of 2019.

I. COMMUNICATION: We recognize that communication between the YMCA and the City of Delaware is imperative to having a successful partnership as both entities move forward in delivering top-notch services to the Delaware community.
   
   - City requests to be a part of the YCMA Delaware Advisory Board, non-voting - TBD
   - Designate one contact person for City and Y:
     - City – Ted Miller, (7/5/19) – Status Complete
     - YMCA – Lolita Haverlock, (7/5/19) – Status Complete
   - Once beyond 60 Day Plan, dedicate a YMCA POC located in Delaware
     - Provide plan for communications for Branch and Rec Services
   - Hold weekly meetings with core group of key decision makers for City and Y, as it relates to Mingo/Rec Services/Y Facility. Decision makers added as necessary, depending on the topic.
   - Created Closing Reports for Mingo: JFLO Report and Recreation Report

II. MINGO

NEED: Enable Mingo pool to be accessible to Delaware residents the maximum amount of time.

ACTION: Address capacity issues through lifeguards, staffing, programming, maintenance, and communication.

- Lifeguard Plan:
  - Pulling guards from Association Branches
  - All regional management staff guarding
  - Lifeguard class just ended and will be immediately on-boarded to work at Mingo
  - Minimum Goal is 8 guards w/manager
  - Starting August 13, Mingo is weekends only which will help with guard schedules and hours
  - Provide action plan to City for 2020 season laying out recruiting, hiring and training strategy by end of 60 Day Plan
  - For extenuating circumstances, the following plan will be implemented:

- **Capacity Plan:**
  - **Add games/activities:**
    - Provide an Activity Director Staff to manage/recruit people to participate
    - Create activity space in SE corner of pool area with music/mic
    - Staff during prime capacity times of 1-5pm daily
    - Provide schedule for the activities: rotate with goal of 20-30 participants at one time and close during rest breaks
    - Provide prizes for games; such as, free concession item/Kona Ice Token
  - No new group bookings rest of summer, and cancel or move current Birthday Groups to branch if needed.
  - On very hot, sunny days close to non-residents; so, residents get priority.

- **Communication Improvements:**
  - Designate one contact person for City and Y:
    - City – Ted Miller
    - YMCA – Lolita Havecklock
  - Hold weekly meetings with core group of key decision makers for City and Y, as it relates to Mingo/Rec Services/Y Facility. Decision makers added as necessary, depending on the topic.
  - Created Closing Reports for Mingo: JFLO Report and Recreation Report

### III. REC SPORTS Registration starts on August 3

**NEED:** Prepare for upcoming season enrollment.

**ACTION:** Review with staff team, program offered, enrollment schedule.

- Flag Football and Soccer registration started July 1

- On track to run high quality leagues and classes with full staff
- Staff will be in uniform and visible
- All areas utilized by programs will be cleaned appropriately upon conclusion
Delaware 60 Day Plan | July-Sept

- Prepare user survey to follow every program delivered at conclusion of program – Template created by end of 60 Day Plan

IV. BRANCH

NEED: Move branch into program session/season knowing that there are key hires that need to enable the best program quality.

ACTION: Finalize hiring for key positions, address maintenance plan, and create long term communications plan.

One guard to remain at pool to staff Mingo
  - Lap pool closes at branch
  - Additional guards only remain during pre-scheduled activity; such as, lessons

- In process of hiring an Aquatics Director: goal by end of summer/Fall session
  - Include Ted & Kyle on interview panel along with providing job description - TBD

- In process of hiring a Swim Team Coach: goal by end of summer/Fall session
- Pool Shutdown: August 18-25
  - Will help provide guards to Mingo during open hours: weekends only
  - See attached for shut down details

- City to review policy with the YMCA regarding outside users (swim teams) to rent space within the branch. YMCA to create language for pool rentals, pricing and discuss revenues - Pending

V. FACILITIES/MAINTENANCE

- Transitioning Blake:
  - For next 30 days and will spend 3 days/week at Delaware/Mingo
  - Full transition will take effect September 1

- Improve Communication/Tracking:
  - Create Maintenance Committee with the City which meets quarterly
  - Created a spreadsheet to track all maintenance/repairs for Delaware/Mingo
  - Sharing documents with appropriate staff for increased awareness happenings
  - Implementing Facility Dude, online software program, within the next 60 days
Delaware 60 Day Plan  

Other
- YMCA to provide City with 5 year maintenance plan and what is scheduled for updates, replacement, etc.
- Complete building audit for Mingo Recreation Center – Confirm Date

COMMUNICATION FOR RESIDENTS: Internal & External
- 2014: conducted external membership satisfaction survey through SEER Analytics
- 2015: conducted internal membership satisfaction survey
- Currently: investigating survey for end of summer
- Website Updates and Improvements to Rec Programming Page
  - Provide clear distinction between City and YMCA programming - TBD
- Provide ongoing surveys at the conclusion of programs that can measured and tracked
- Provide a response protocol to resident/member inquiries currently fielded by the City and City Council

PRICING STUDY
- Discuss with Delaware Administration
- Pricing Policy
- Communication of Pricing Policy

FINANCIAL REPORTING
- June financials available currently
- Moving forward: provide the monthly report in advance of the bi-monthly meeting
- Facility reporting:
  - How will report update the City as to projects?
  - Facility Dude will be the home of all projects for Delaware/Mingo moving forward and YMCA will provide appropriate reports.
  - Per the agreement, YMCA to provide annual financial reports to the City of Delaware at the close of every year.

NEXT STEPS
- Analysis of Delaware Recreation Programs and Jack Florence Pool operations
- Facility Assessment: 5 year Capital Discussion provided by the end of the 60 Day plan
- YMCA of Central Ohio overall staff review and analysis
- Force Swim Team Rental Request
- During the 60 Day Plan, YMCA and the City to create mid-term and long-term plan for future success

TITLE OF PROPOSED ORDINANCE/RESOLUTION:
A RESOLUTION ACCEPTING NEGOTIATED CHANGES TO THE FRATERNAL ORDER OF POLICE (FOP) PATROL AND SUPERVISORS AGREEMENTS WITH THE CITY OF DELAWARE.

BACKGROUND:
The City and the FOP patrol and supervisors groups have reached a tentative agreement which Council requires council approval to become effective. The changes, attached to this item, can be summarized as follows: The contract includes a 3%, 3%, 3% wage package. The move to step 2 in the pay plan has been adjusted to align with when the officer completes the Field Training Officer Program, which is when the officer starts working on his or her own. In cases where an officer is hired without his or her commission, this would push the increase back by about four months. In cases where an officer already has his or her commission, the raise would come sooner. This additional cost is offset by the savings in not having to pay the officer’s salary while he or she is in the academy.

The contract also includes some cleanup language, such as allowing an officer to use compensatory time for approved leave on a holiday, addressing what happens when an officer is subpoenaed on his/her vacation, and compensating an officer in charge at the third step of the supervisors rate, which aligns with longtime practice but not the contractual language.
Finally the agreement continues the existing wellness program until 2021, unless a replacement program is agreed to before then.

DUES

Section 1. Labor Council Dues Deductions.

The City agrees to deduct from the wages of any employee who is a member of the Labor Council, all Labor Council membership dues uniformly required. The Labor Council will notify the City from time to time of the dues it charges and its current membership. All members of the Bargaining Unit shall either become dues paying members of the F.O.P. Ohio Labor Council or, as a condition of continued employment, remit to the Labor Council a fair-share fee in amount set from time to time by the Labor Council in accordance with the provisions of O.R.C. 4117.09(C). Said amount shall be deducted from all wages of all such non-members on the same basis as the deductions made for dues from members of the Labor Council. Nothing in this section shall be construed to require any employee to become a member of the Labor Council. The Labor Council agrees to save the City harmless in the event of any legal controversy with regard to the application of this provision. All dues and fair-share fees collected shall be paid over by the employer once each month to the F.O.P. Ohio Labor Council at 222 E. Town Street, Columbus, Ohio 43215.

Section 2. F.O.P. Dues Deductions.

The City will deduct from the wages and turn over to the appropriate designated officer of the local Fraternal Order of Police, Delaware County Lodge, the regularly monthly F.O.P. dues of such member who shall individually and voluntarily certify in writing that they authorize such deduction. This authorization shall be specifically in writing and will require the employee and the F.O.P. to agree to hold the City harmless for any payment made to the F.O.P. by the City during the term of this voluntary assignment. The amount deducted from the employee's paycheck with regard to the local dues which are
voluntarily authorized shall be turned over to the F.O.P. Delaware County Lodge no later than thirty (30) days following such deduction.

Section 3. Other Deductions.

The City further agrees to deduct from the pay of those employees authorizing such deduction, and turn over to the appropriate party, monies designated for purposes such as credit union, savings bonds, United Appeal, and similar causes in accordance with the City's current policy on payroll deductions. These deductions shall be subject to the City's ability to maintain an efficient payroll procedure.

The F.O.P. shall be provided an F.O.P. bulletin board at Police headquarters. F.O.P. bulletins and F.O.P. material only will be permitted to be posted on this board.

Section 5. Ballot Boxes.

The F.O.P. shall be permitted, upon prior notification to the Chief of Police, to place a ballot box at Police headquarters up to four times per calendar year for the purpose of collecting members' ballots on all F.O.P. issues subject to ballot. Such boxes shall be the property of the F.O.P. and neither the ballot boxes nor their contents shall be subject to the Department's review.

Section 6. Bargaining Unit Meetings.

The F.O.P. shall be permitted, upon prior written request to the Chief of Police, to hold meetings, for F.O.P. members employed by the City of Delaware, at Police Headquarters or City Council Chambers. The notification required under this Section shall be delivered to the Chief at least forty-eight (48) hours prior to the time for the requested meeting and shall state the date, time, and requested location of the meeting. The City agrees to allow the F.O.P. to use the requested location on the date and at the time specified in the F.O.P. request provided the location is not otherwise in use. However, under no circumstances will F.O.P. use of these facilities be permitted to interfere with
the business of the City. In the event that permission is granted at the time of the request and the requested facility, due to unexpected events arising during the 48-hour notice period, is needed for City business, then the permission will be revoked. In the event the permission must be revoked, the City will, if possible, give the F.O.P. at least twelve (12) hours notice of the revocation. If it is impossible to give twelve (12) hours notice, the City will give the F.O.P. as much notice as is possible.

Section 7. Use of Intra-Departmental Mails.

The F.O.P. shall be permitted to utilize the intra-departmental mail boxes and email for the purpose of providing information pertaining to F.O.P. business or Bargaining Unit representation, to Bargaining Unit members. The F.O.P. agrees that the use of the mail boxes and email will be reasonable and limited to providing information that is necessary for the normal conduct of F.O.P. business or Bargaining Unit representation. The City reserves the right to deny such access in the event that the use of such boxes or email interferes with the business of the City or the Police Department by restricting access to such boxes or email for City or Police Department business. All mail placed into the mail boxes by the F.O.P. shall be the property of the Bargaining Unit members to whom it is addressed, and such mail shall not be subjected to the City's review. Email will be subject to current City policy and procedures.
ARTICLE 10

CORRECTIVE ACTION AND RECORDS

A. No bargaining unit member shall be removed, reduced in pay or position, suspended or reprimanded except for just cause. Both parties further agree that records of Instruction and Cautioning and Written Reprimands are subject to the grievance process up to the City Manager level. All other grievances are subject to the full grievance process.

B. The City agrees to follow the principle of progressive corrective action. The Chief of Police may skip any step of progressive action if the violations are of a very serious nature. Further, the City agrees to fairly and equitably discipline members.

C. Use of Prior Discipline.

In assessing proper levels of discipline, the City will take into account the length of time since any previous discipline or offenses have occurred. Records of instruction and cautioning will not be used as a basis for further discipline one (1) year or more after issuance, if no further discipline has occurred. Records of written reprimand will not be used as a basis for further discipline two (2) years or more after issuance if no further discipline has occurred. All other forms of discipline shall be removed from the personnel file upon a Member’s request three (3) years from the date of issuance if no further discipline has occurred. Providing there has been no intervening discipline, discipline records after the 1, 2 or 3 year period shall be removed from the file and disposed of or maintained in accordance with the City’s public records retention schedule then in effect.

D. Review of Personnel Files.
Any member shall be allowed, upon request, to review his personnel file between 8:00 a.m. and 5:00 p.m., Monday through Friday. Such request shall be made to the Chief of Police directly and review shall be made in the presence of the Chief or his designated representative. Upon a third party request for a police officer’s file, the City will notify the Chief of Police or his/her designee, or the office of the Chief of Police, that such a request has been made. The City will use reasonable efforts to make this contact before such release of requested information, however, both parties recognize this may not always be possible. The City shall comply with all applicable laws on this subject. The parties recognize that the City may be required to disclose information from a member's personnel file pursuant to State or Federal laws and current court decisions, and that such disclosure made pursuant to such laws does not constitute a violation of any provision of this Agreement. The City also agrees that they will notify the member in writing of any such disclosures. Any member may copy documents in his/her file.

E. **Performance Evaluations.**

A member's signature on any performance evaluation, if any, shall be viewed by the parties hereto only as a representation that he has read it; it shall not be viewed as a representation that he concurred in any or all of the contents or comments thereon. The member shall be the last person to sign an evaluation and no evaluation comments may be made on record copies thereafter. The member shall receive a copy of the evaluation in its final form when he signs it.

F. **Inaccurate Documents.**

Should any member have reason to believe that there are inaccuracies in documents contained in his file, he may write a memorandum to the Chief explaining the alleged inaccuracy. If the Chief concurs with the member's
contention, he shall attach the member's memorandum to the document in the file and note thereon his concurrence with the memorandum's content and disposed in accordance with the City’s public records retention schedule then in effect. A member shall have the right to attach a rebuttal or explanation statement to any document in his personnel file. The official personnel file of all members is kept at the Department of Administrative Services.

Section 2. Pension “Pick-Up”. Effective on a date to be determined the City will no longer pick up (assume and pay) any portion of the employee contribution to the Police and Fire Pension Fund.

Section 3. Application of Hourly Rates
The hourly rates as set forth under this section are based on a 40-hour workweek and shall be used to calculate salaries for hours actually worked or in paid status for the appropriate pay range and pay step.
ARTICLE 15
PAY PLAN ADMINISTRATION

Section 1.

The police pay plan shall consist of five (5) individual steps within a single pay grade through which police officers shall move laterally (from Step One to Step Five) as depicted below:

The Chief of Police and Department of Administrative Services shall determine the entrance level and minimum salary for each Police Officer.

A. When a Police Officer is hired at Step 1, the following occurs:

- Police Officers shall advance to Step Two (2) on the first day of the pay period following completion of the Field Training Officer (FTO) program six (6) months of continuous service at the Step One (1) level.

- Police Officers shall advance to Step Three (3) on the first day of the pay period following successful completion of the probationary period.

- Police Officers shall advance to Step Four (4) on the first day of the pay period following completion of one (1) year of continuous service at the Step Three (3) level.

- Police Officers shall advance to Step Five (5) on the first day of the pay period following completion of one (1) year of continuous service at the Step Four (4) level.

B. When a Police Officer is hired higher than Step 1, the following occurs:

- Police Officers shall advance to the next scheduled step on the first day of the pay period following completion of their probationary period one (1) year of continuous service at the previous step level.
C. The date upon which Police Officers officially earns compensation shall constitute the Police Officers hire date and shall serve as the basis upon which any accrual of salary and/or benefits provided under this Agreement are calculated.

D. Time off without pay shall delay any salary step increases by an equivalent amount of workdays involved. The effective date of such return to regular paid status shall serve as the new basis for any accrual of salary and/or benefits.

E. All salary rates provided by this Agreement are determined on the basis of regular full-time employment by the City. All such salary benefits shall be paid bi-weekly.

F. Salary step advancements prescribed in this article shall occur automatically with regard to Police Officers.

G. Members who are required to perform the duties of the Sergeant's classification will receive compensation for the time performing these duties at the step three (3) one (1) Sergeant's rate. The additional compensation, over and above the top patrolman's rate, will be paid at the step three (3) one (1) Sergeant's rate. With respect to the second and third shifts, this provision shall apply automatically anytime a sergeant is not on duty.

H. Members serving as a Field Training Officer (FTO) shall be paid one (1) hour of compensatory time for each work day served in said capacity.

Section 2. Specifications of the Pay Plan.

Notwithstanding the foregoing provisions of Section 1 above, the rate of pay for members affected by personnel actions listed below shall be as follows:

A. **Disciplinary Demotion.** Whenever a member is demoted for disciplinary reasons, he shall be paid at the applicable step based on years of service.
B. **Voluntary or Disability Demotion.**

(1) Whenever a member with regular full-time status requests and is granted a voluntary demotion, he shall be paid at the top step in the lower pay grade.

(2) Whenever a member with regular full-time status is given a demotion by reason of a service-connected disability, he shall be paid at the top step in the lower pay grade.

(3) Whenever a member is terminated due to either a lack of work and/or funds in one classification and is entitled to an automatic demotion to a lower classification where he previously held regular full-time status, the rate of pay of the member shall be established as provided in (1) above.

(4) Whenever a member is given a demotion due to a disability, his rate of pay shall be established as described in either (1) or (2) above, whichever is applicable.

C. **Reappointment.** Whenever a member is reappointed to a position where he previously held regular full-time status, his rate of pay shall be at the step and grade at which he was being paid at the time of his separation from that class with the approval of the Chief of Police.

D. **Re-employment.** Whenever a member is reemployed by the City, his rate of pay shall be at the step and grade at which he was being paid at the time of his separation from City employment, with the approval of the Chief of Police.
ARTICLE 16

HOURS OF WORK AND OVERTIME

Section 1. Definition.

The workweek shall consist of 40 hours per week (five 8-hour work days or four 10-hour work days) or a section 207(k) system authorized by the Fair Labor Standards Act. While the current (4-2) 207(k) system is in effect, two scheduled days off a year will be rescheduled as work days with the intent that these will be used by the City as training days. In lieu of using two scheduled days off per year for training purposes, a member may be required to forfeit up to 16 hours of banked time on the last pay period of the year. The City may change to a work week of five 8-hour work days or four 10-hour work days at its sole discretion. If the City contemplates a change to a different 207(k) system, the City will meet and confer with the F.O.P. in an effort to reach agreement on the schedule. Any change in the schedule will be made with three (3) months notice to members.

Absent emergency conditions requiring otherwise, days off shall always be consecutive days, though not necessarily in the same workweek. The City will make every effort to insure each Member is able to take a thirty (30) minute lunch period while on duty, as calls for services and usual and emergency duties allow. The City retains full discretion in this matter. The salary and wage ranges prescribed in the pay plan for the respective positions are based upon a workweek of 40 hours and a work year of 2,080 hours

Section 2. Work Schedule.

The City recognizes the benefit to be achieved from advanced notice of scheduling and, accordingly, agrees that, unless unusual circumstances prohibit, the work schedule for the bargaining unit members will be posted at least six (6) weeks prior to the implementation of the schedule. Also, if changes in the posted work schedule become necessary, the effected members will be notified of such changes as far in advance as possible.
Section 3. Overtime.

Members shall be compensated at straight-time rates for all hours in paid status, except that all hours in paid status in excess of the hours of their regularly scheduled work day in any day shall be compensated for at a rate of time and one-half. Payment shall be made for any overtime due at the time of separation from City service.

Section 4. Overtime Policy.

It shall be the policy of the Administration to avoid overtime work except when absolutely necessary. If overtime is worked without the advance authorization of the appropriate supervisor, except that in an emergency or an ongoing incident that extends past a Member’s shift such authorization may be granted subsequently, the member shall be subject to discipline up to and including termination.

Section 5. Report in Pay/Call in Pay/Court Pay.

1. When a member is ordered or called to report for work outside of a regular scheduled shift, he shall be paid three (3) times his base hourly rate for the first hour and one and one-half (1 ½) times his base hourly rate for all other hours worked for which he is ordered or called to work (including off-duty court appearances).

2. When a member is ordered or called to report for work, two (2) hours or less prior to the start of a regular scheduled shift, or within one-half (1/2) hour from the time he reports off duty he shall be paid one and one-half (1 ½) times his base hourly rate for all hours worked for which he is ordered or called to work (including off-duty court appearances): however only for off-duty court appearances prior to the start of a regularly scheduled shift, the member will be paid from when he reports to court up to and through the beginning of the start of his regularly scheduled shift.
3. When a member is subpoenaed for court on an approved vacation day, he shall inform his supervisor and the court within 48 hours of receiving the subpoena that he is not available that day. The member will make a reasonable attempt to have the subpoena dismissed. If the subpoena is not dismissed and the member is required to appear, the member shall be paid a minimum of three times his hourly rate for the first hour, and one and one half (1 ½) times his hourly rate for all subsequent hours required for the court appearance. All vacation hours will be returned to the member’s vacation bank for the time actually spent for the court appearance during what would have been his regularly scheduled work hours.

Section 6. Compensatory Time Off or Cash Payments.

All overtime earned shall be compensated for by cash payments unless the member elects to receive compensatory time off. Such compensatory time off shall equal one and one-half hours for each hour of overtime compensation to which the member is entitled. No member may accumulate more than two hundred (200) hours of compensatory time. Any member who reaches the maximum hourly limit shall thereafter be paid overtime compensation for overtime hours worked.

Section 7. Separation Payment for Compensatory Time.

A. A member who is to be separated from the service through discharge, resignation, retirement, or layoff, and who has unused compensatory time to his credit, shall be paid the cash value for such accrued compensatory time.

B. When a member dies while in paid status, the cash value of any unused compensatory time, in addition to vacation leave pay to his credit, shall be paid to the surviving spouse or to the estate of the deceased member.

C. A member may elect to cash in up to two (2) weeks of compensatory time and receive equivalent pay during any calendar year. A member must inform the Chief of Police
prior to August 1 of the year preceding the calendar year in which he intends to make the trade.

**Section 8. Exchange of Shifts/Duty Days.**

Members shall be permitted, with the approval of their immediate supervisors, to exchange a work day or shift assignment. However, exchanges of workdays or shift assignments lasting two or more consecutive days shall require the approval of the Chief of Police or his designee.

**Section 9. On-Call Pay.**

Effective January 1, 2005, all permanently assigned detectives shall receive an annual stipend of five hundred dollars ($500) for being subjected to the “on-call rotation.” Said stipend shall be paid in two annual installments in the same manner as longevity pay.

**Section 10. Yearly Time Change.**

A member shall be paid at overtime rate for the one extra hour actually worked on the hour of the fall time change to Eastern Standard Time. The officer shall have one hour of straight time pay or other accumulated time subtracted from his/her leave balance if scheduled to work on the hour in spring when Daylight Savings Time takes effect.

CLOTHING AND EQUIPMENT ALLOWANCE

Section 1. Initial Issue.

Upon appointment, each recruit shall receive a full issue of uniforms and equipment from the City. All such purchases shall be made by the Delaware Police Department.

Section 2. Annual Allowance.

All bargaining Unit members shall receive an annual uniform allowance in the amount of Six Hundred and Seventy Five Dollars ($675.00) per year for the calendar years 2017 and 2018; and then Seven Hundred Dollars ($700.00) for calendar year 2019. All such uniform purchases shall be made by the Delaware Police Department.

Section 3. Specialty Assignment Initial Issue

All bargaining unit members who are assigned to specialty positions as K-9 Officer, Bike Patrol Officer, or Delaware Tactical Unit member will be provided with two full uniforms upon assignment.

Section 4. Maintenance Allowance.

All bargaining Unit members shall receive a maintenance allowance of four hundred ($400.00) in January of each year.

Section 5. Lost or Damaged Uniforms and Equipment.

The City will replace or repair any lost or damaged department property or equipment, including members' uniforms, provided the loss or damage is not the result of the members' intentional abuse or gross negligence.

Section 6. Damaged Eyeglasses.

Eyeglasses which are lost or damaged while the bargaining unit member is engaged in the performance of their duties, not resulting from negligent action, shall be compensated for by the City at the current rate of replacement up to a limit of four hundred ($400) dollars. For an affected employee to afford themselves the benefit of this reimbursement, the
employee shall provide the employer a written explanation of the incident that gave cause for such loss or damage. Upon receiving such signed report, the employer shall include the proper amount of funds to comply with the requested reimbursement in the employee’s next pay. Such reimbursement shall be made no more than once in any twelve (12) month period.
ARTICLE 20

HOLIDAY PAY

Section 1. Holidays. The following are designated as paid holidays for members:

New Year's Day
Martin Luther King Day
Lincoln’s Birthday
Washington’s Birthday
Memorial Day
Independence Day
Labor Day
Little Brown Jug Day, ½ day
Columbus Day
Veteran’s Day
Thanksgiving Day
Day after Thanksgiving
Day before Christmas, ½ day
Christmas Day

Section 2. Holiday Time Off.

For each holiday observed on a member's workday, said member shall work that holiday unless the member requests and is granted the day off by the Chief of Police through the use of vacation leave, comp time or holiday leave.

Section 3. Holiday Payment.

For each of the holidays specified in Section 1 of this article on which a member works, he shall be entitled to holiday compensation equal to double the member's regular rate of pay, except that members shall be entitled to holiday compensation at two and one-half times the member's rate of pay if they work on any of the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Members who do not work on a designated holiday, either because they are not scheduled to work that day or because they request and are granted vacation leave or holiday leave, will receive holiday compensation of eight (8) hours pay at the member's regular hourly rate.
Holiday compensation will be a combination of cash payment and compensatory time off in accordance with the City's current practice on holiday compensation.

Section 4. Celebration Day for Holidays.
For purposes of holidays, holiday time shall apply to the tour of duty beginning on the day which is celebrated as a holiday, except that for third shift personnel who work the night before the holiday, the tour of duty beginning the night before the holiday shall be considered the holiday tour.

Section 5. Holiday Time.
Use of holiday time or personal days shall be at the member's discretion with the approval of the Chief of Police or designee. In the event requests to use holiday or personal time off are submitted by more than one member for the same time period and otherwise approved by the Chief of Police or designee then the member with most seniority will be given priority if his request was submitted no less than twenty-eight (28) days before the requested time off. Otherwise, conflicting requests will be prioritized for consideration on a first-come, first-served basis.

Section 6. Accumulation of Holiday Time.
All members will be permitted to accumulate three (3) year's worth of holiday time. A member's current accumulation of personal days will not count towards this maximum accumulation level. A member may elect to cash in up to one year's worth of holiday time each year. If a member accumulates the maximum amount of time off allowable under this section, then future holiday will be paid in cash at the time it is earned. The Department Head will post a notice in June informing members of the required deadline for selling holiday time and personal leave. A member must inform the Department Head prior to August 1 of the year preceding the calendar year in which the member intends to make the trade.

Section 7. Separation for Holiday and Overtime Accumulation.
ARTICLE 26

MILITARY LEAVE

Section 1. Military Leave.

A. Paid Leave.

Sworn officers of the Police Department who are members of the Ohio National Guard, U.S. Air Force Reserves, or the U.S. Army Reserves, U.S. Marine Corps Reserves, U.S. Coast Guard Reserves, or the U.S. Naval Reserves shall be granted military leave of absence with pay and shall not be required to use vacation leave when ordered to temporary active duty or when ordered to military training exercises conducted in the field for a period not to exceed twenty-one (21) calendar days in any one calendar year. Of up to one month, for each federal fiscal year in which they are performing services in the uniformed services. (Federal fiscal year is October 1 – September 30. “Month” for purposes of this article means 176 hours.) Excepting and providing that when the Chief Executive Officer of the State of Ohio or the Chief Executive Officer of the United States declares that a state of emergency exists, then in that event the member, if ordered to active duty for purposes of that emergency, shall be paid pursuant to this section for a period or periods, whether or not consecutive, not to exceed twenty-one (21) days in any one calendar year. Of up to one month, for each federal fiscal year in which they are performing services in the uniformed services. (Federal fiscal year is October 1 – September 30. “Month” for purposes of this article means 176 hours.) A member shall be paid his regular salary for the period of time so served less whatever amount such member may receive as his military base pay. Where it is to the advantage of the City and on the approval of the Chief of Police, military leave of up to fifteen (15) additional days may be granted.
B. **Military Leave Without Pay.**

A member shall be granted a leave of absence without pay to serve in the Armed Forces of the United States of America or any branch thereof. Members in a probationary period shall not be granted such leave. Such leave of absence shall be governed by the following principles:

1. No eligible member shall lose his rank, grade, or seniority enjoyed at the time of his enlistment, induction, or call into the active services (other than for military training leave) of the Armed Forces of the United States of America or any branch thereof, except that a provisional member at the time of entering active military service shall not be entitled to restoration to his position if an eligible list from which appointments to such positions may be made has been established prior to his application for restoration to such position.

2. Any member who has entered the service as stated above, upon his Honorable Discharge or a Discharge with Honorable Conditions from the service and establishment of the fact that his physical and mental condition has not been impaired to the extent of rendering him incapable to perform the duties of the position, shall be returned to the position he held immediately prior to his enlistment or induction into the service or to a position of equal rank and grade. Such member must request restoration to his position within ninety (90) days of receiving an Honorable Discharge or a Discharge with Honorable Conditions from the Armed Forces or his position will be declared vacant. Nothing contained in this
section shall obligate the City to pay a member who is on military leave of absence.

(3) Any member serving in a position vacated temporarily due to the previous incumbent being in the military service shall be determined to have been given a permanent appointment, if the returnee fails to exercise his restoration rights within the prescribed time.

(4) The term "Armed Forces of the United States" as used in this section shall be deemed to include such services as designated by the Congress of the United States.

(5) Any member transferred or advanced to a position by reason of vacancy caused by a member serving in the Armed Forces shall be returned to the position he held before said transfer or advancement, or to a position of equal rank or grade upon the return of the member from the service.

(6) A member who achieves permanent status while filling a vacancy resulting from the enlistment or induction of a member into military service, upon the return of that member from the service, shall be placed on an eligible list in the order of his original position.

(7) In any case where two or more members who are enlisted to be restored to a position left the same position in order to enter the Armed Forces, the member with the greatest seniority in that classification shall have the prior restoration right without prejudice to the reemployment rights of the other member or members to be restored.
(8) Where service in the Armed Forces results from induction or call to active duty, leave shall be granted for the duration of such call.
ARTICLE 35

PHYSICAL FITNESS INCENTIVE

SECTION 1:

The Physical Fitness Incentive is a voluntary fitness program. Successful participants will receive additional hours of vacation time as listed in the chart below for reaching certain levels of fitness.

In order to promote fitness within the department, a set level of department participation will be required to earn an additional incentive. Participation is defined as completing each of the segments of the test, based on the combined percentage of officers and supervisors. In 2016, 40% of the membership must participate to qualify for the Participation Incentive, in 2017, 50% of the membership must participate, and in 2018, 60% of the membership must participate with 30% of those taking the test achieving at least a basic fitness level. Membership shall be determined based on staffing numbers as of January 1 of each year.

Any hours awarded will be posted to the members’ accrued leave in the first full pay period of the following year.

PROBATIONARY PERIOD

SENIORITY

The probationary period for all newly promoted employees will be a period of six (6) months from the date of promotion. The City shall have the right to demote the employee during the six (6) month probationary period with no appeal rights through the grievance process.

Section 1.

Seniority shall be defined as the length of total accumulated service with the Delaware Police Department as a sworn police officer. Seniority in rank for supervisors shall be the date of promotion to each rank. Work hours in appointed positions of Detective, School Resource Officer and Community Relations Officer are at the discretion of the Chief of Police. Approved leaves of absence shall not be considered a break in service.

Section 2.

An employee’s seniority shall be terminated when one or more of the following occur:

a. He/she resigns;

b. He/she is discharged for just cause;

c. He/she is laid off for a period exceeding the contract terms;

d. He/she retires;

e. He/she refused a recall or fails to report to work within five (5) working days from the date the Employer sends the employee a recall notice by certified mail to the employee’s last official address, as shown on the Employer’s records.

Section 3:

If two (2) or more employees are hired or appointed on the same date, their relative seniority shall be based on their position on the certified eligibility list from which they were hired.
Section 4:
During the months of January and July of each year, the Employer shall post one (1) copy of the current seniority list for all employees within the bargaining unit and supply a copy to the F.O.P. These lists shall be considered final and binding upon the Union and the employee, unless a notice of appeal is submitted through the Grievance Procedure within ten (10) days from the date of the posting of the seniority list.

Section 5:
The probationary period for all newly promoted employees will be a period of six (6) months from the date of promotion. The City shall have the right to demote the employee during the six (6) month probationary period with no appeal rights through the grievance procedure.
WAGES

Section 1. Pay Ranges and Rates. For the dates specified below, the new pay rates are effective for the pay period including the date. The following pay rates, reflecting a 1.9% increase for 2017-2020, a 2.3% increase for 2018-2021, and a 2.3% increase for 2019-2022 will be paid members.

TITLE OF PROPOSED ORDINANCE/RESOLUTION:  
A RESOLUTION ADOPTING POLICY CONCERNING THE ESTABLISHMENT OF HONORARY STREET NAMES.

BACKGROUND:  
UPDATE 08/22/2019:  
Per Council’s direction, the policy was updated to remove the time restriction for honorary street naming.

08/12/2019:  
The naming of streets in honor of past individuals is a common practice in many communities, including Delaware. In the past, the City has permitted the honorary naming of Henry Street as Branch Rickey Way and Euclid Avenue as Pacer Way. Currently two new requests have been made of the City to name streets for both a past president of the United States, and a distinguished African American member of our community.

REASON WHY LEGISLATION IS NEEDED:  
The City lacks a process by which the requests for honorary street naming can be publically considered, discussed, and approved. The proposed policy provides general guidance as to how future requests for Honorary Street Naming shall be considered.

COMMITTEE RECOMMENDATION:
The Public Works Committee considered the proposed Honorary Street Naming Policy on August 6th and unanimously agreed by motion to support the policy and forward it to full council for additional consideration. The committee further recommended that all honorary signs be uniform in appearance and monochromatic in design as shown in the policy.

**FISCAL IMPACT(S):**
The City is able to produce the recommended honorary street name signs in house and at minimal cost.

**POLICY CHANGES:**
This is a new policy.

**PRESENTER(S):**

Honorary Street Naming Policy
RESOLUTION NO. 19-35

A RESOLUTION ADOPTING POLICY CONCERNING THE
ESTABLISHMENT OF HONORARY STREET NAMES.

WHEREAS, the City periodically receives requests to rename a street or portion thereof in honor of an individual; and

WHEREAS, the accomplishments and achievements of the individual are an inspiration to all Delawareans and worthy of a permanent memorial within the City; and

WHEREAS, there is good cause for this honorary designation and such designation will not be detrimental to the public interest; and

WHEREAS, in order to provide a process and guidance to which such honorary street naming can be further considered and approved by the City, a policy is hereby developed.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF DELAWARE, STATE OF OHIO:

SECTION 1. The City shall adopt the proposed Honorary Street Naming Policy to provide guidance to future requests.

SECTION 2. That this resolution shall take effect and be in force immediately after passage.

CITY CLERK    MAYOR
Honorary Street Naming Policy  (Rev. August 22, 2019)

**Definition:** Honorary street names allow citizens the opportunity to honor people who have made significant contributions to the community and are intended to recognize and honor individuals or groups for a period of time without changing the official name of the street.

**Description:** The honorary sign is of a similar size and shape as a standard street name sign. The honorary signs shall conform to the current federal street sign regulations governing lettering size, legend, and background colors as shown in examples. Honorary street names shall include the suffix “Way”. Only one honorary sign shall be allowed at an intersection and shall be posted adjacent to the designated street name sign.

**Qualifications for Honorary Recognition:** This method of honoring individuals is reserved for those having local ties to the community, and whose body of lifetime achievement has received local, state or national notoriety for their individual contribution to the cultural arts, music, education, government leadership, athletics, or sciences. Individual honorees will only be considered ten years or more posthumously. Individual family tribute or commercial and corporate related recognition does not qualify.

**Requests for Honorary Signs:** Requests FOR NEW HONORARY SIGNS shall be made in writing to the City Manager’s Office describing the justification for the honorary designation, requested location(s) and timeframe for the sign is to be posted, and include details of requested text and graphic appearance.

**Approvals:** Each request for honorary street name shall be considered by City Council and approved by council resolution.

**Cost:** Honorary street signs shall conform in appearance to the example shown and shall be provided and installed by the City at no cost. Text shall be formatted to fit on a maximum 36-inch sign blank for purposes of safety and stability.

**Public vs Private Streets:** This policy applies to all public streets in the City of Delaware. It does not attempt to regulate honorary street names on private streets and driveways.

TITLE OF PROPOSED ORDNANCE/RESOLUTION:
AN ORDINANCE APPROVING A COMMUNITY REINVESTMENT AREA AGREEMENT AND SCHOOL COMPENSATION AGREEMENT WITH THE KROGER CO., OLENTANGY CITY SCHOOLS AND DELAWARE AREA CAREER CENTER FOR INVESTMENT IN REAL PROPERTY IMPROVEMENTS ON THEIR BUILDING AND PARCEL AT 2000 NUTTER FARMS LANE, DELAWARE, OHIO AND DECLARING AN EMERGENCY.

BACKGROUND:
The Kroger Co. has submitted application for a Community Reinvestment Area Tax Abatement for the construction of a 120,000 sq. ft. expansion to their existing 770,000 sq. ft. building at parcel #41822001007000.

This expansion is a significant investment in a new technology that will maintain the Delaware facility’s relevance and allow it to continue to grow to meet the future needs of distribution for the Kroger Co.

Our success in assisting Kroger Co. would conservatively create 1 new FTE employee with a total annual payroll of $45,000 in addition to retaining their existing 663 FTEs with an existing $26,110,000 payroll. The 1 new FTE is what the company is able to commit to hiring, however, their contractual vendor for the equipment that will occupy the expansion will hire an additional 81 uncommitted FTEs with a payroll of $4,306,500. These positions cannot be committed to by The Kroger Co., but will be necessary to operate the high tech robotic logistics system.
This project also has already been passed by the Olentangy Local Schools Board of Education on June 27, 2019. City staff are in continued negotiations for a contribution to the Point Project, a related infrastructure project that will allow for increased safety and efficiency for Kroger’s trucks as they approach US23 north. Staff is asking for this incentive package to go to two readings, so that we can finalize those conversations.

Due to the timing of the project and their desire to begin construction on the building, we are seeking that this incentive is passed as an emergency after the second reading.

WHEREAS, the City of Delaware has encouraged development of and investment in real property in the area designated as Community Reinvestment Area 141-1135-1 pursuant to ORC 3735; and

WHEREAS, the City of Delaware by Resolution Number 01-52, resolved to review and approve all Community Reinvestment Area Agreements which meet the statutory guidelines;

WHEREAS, the City of Delaware partners with impacted school districts to ensure mutual benefit from economic development projects; and

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF DELAWARE, DELAWARE COUNTY, OHIO, that:

SECTION 1. The Community Reinvestment Area Agreement by and between the City of Delaware and The Kroger Co. meets all of the guidelines established by the State of Ohio and the City of Delaware, and the same is hereby approved.

SECTION 2. The School Compensation Agreement by and between the City of Delaware, Olentangy Local School District, Delaware Area Career Center, and The Kroger Co. meets all of the school compensation guidelines established by the State of Ohio and the City of Delaware, and the same is hereby approved.

SECTION 3. That the City Council of the City of Delaware hereby authorizes the execution of said agreements by the City Manager to implement the Community Reinvestment Area Program and School Compensation Agreement for this project.

SECTION 4. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in those
formal actions were in meetings open to the public, all in compliance with the law including Section 121.22 of the Revised Code.

SECTION 5. EMERGENCY CLAUSE. That this ordinance is hereby declared to be an emergency measure necessary to provide for the public peace, safety, health and welfare of the City, and is necessary to finalize negotiations so that construction may begin without the applicant risking the loss of the incentive, and as such will be in full force and effect immediately upon its passage.

RE: The Kroger Co. Request for Community Reinvestment Area Request Tax Incentives

Dear Superintendents Raiff and Freeman:

In an attempt to retain and grow The Kroger Co.’s Great Lakes Distribution Center in the City of Delaware, the City of Delaware’s Tax Incentive Negotiation Committee, that includes the superintendents and treasurers from the impacted school districts, negotiated a 100% for 15 year CRA tax abatement for their 120,000 sq. ft. expansion project to be located at their existing facility on parcel #41822001007000 (2000 Nutter Farms Lane). As part of their CRA abatement, The Kroger Co. has agreed to an annual payment equal to 30% of what the school districts normally would have received without the abatement. The amount of these payments will be based on the value of actual taxes after the County Auditor assigns a market improvement value.

All incentives are based on The Kroger Co.’s commitments of the creation of 1 new full-time job with a payroll minimum of $45,000 within 3 years of the completion of your project, and the retention of their existing 663 full-time jobs with a minimum payroll of $26,110,000 in the City of Delaware. A copy of their application for tax incentives is attached.

CRA (ORC 3735.65-70) guidelines require that Boards of Education be informed of amendments, notice requirements, review rights, meeting requests, revenue sharing requirements, and/or program participation. Since the CRA legislation and company agreements contain many legal requirements, you may want to review Ohio Revised Code references (please see: http://onlinedocs.andersonpublishing.com/).
The City of Delaware is requesting a waiver of the required 45 business day notice period so that Delaware City Council will be able to consider these requests at our regularly scheduled Council meeting on July 8, 2018, held at Delaware City Hall, 1 South Sandusky Street, Delaware, at 7:00 P.M. A second reading and public hearing should be scheduled for March 26, 2018, but may not be needed if Council chooses to take action on the first reading for economic development purposes. School Board Members, staff and the public are welcome to attend these meetings. In lieu of the 45 business day notice period, the City’s Economic Development Staff is prepared to discuss the request with the Olentangy Local School Board at their regularly scheduled meeting on June 13. Please let me know if you require any further assistance. I can be reached at 740.203.1016 or shughes@delawareohio.net. Please email me with confirmation of receipt of this notification so that I can send it with our petition to the Ohio Development Services Agency.

Yours Sincerely,
Sean Hughes
Economic Development Director

2. Kroger Co. application for tax incentives
3735.671 Written agreement where commercial or industrial property is to be exempted.

(A) If construction or remodeling of commercial or industrial property is to be exempted from taxation pursuant to section 3735.67 of the Revised Code, the legislative authority and the owner of the property, prior to the commencement of construction or remodeling, shall enter into a written agreement, binding on both parties for a period of time that does not end prior to the end of the period of the exemption, that includes all of the information and statements prescribed by this section. Agreements may include terms not prescribed by this section, but such terms shall in no way derogate from the information and statements prescribed by this section.

(1) Except as otherwise provided in division (A)(2) or (3) of this section, an agreement entered into under this section shall not be approved by the legislative authority unless the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves the agreement. For the purpose of obtaining such approval, the legislative authority shall certify a copy of the agreement to the board of education not later than forty-five days prior to approving the agreement, excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement. The legislative authority may approve an agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

(2) Approval of an agreement by the board of education is not required under division (A)(1) of this section if, for each tax year the real property is exempted from taxation, the sum of the following quantities, as estimated at or prior to the time the agreement is formally approved by the legislative authority, equals or exceeds fifty per cent of the amount of taxes, as estimated at or prior to that time, that would have been charged and payable that year upon the real property had that property not been exempted from taxation:

(a) The amount of taxes charged and payable on any portion of the assessed valuation of the new structure or remodeling that will not be exempted from taxation under the agreement;

(b) The amount of taxes charged and payable on tangible personal property located on the premises of the new structure or of the structure to be remodeled under the agreement, whether payable by the owner of the structure or by a related member, as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

(c) The amount of any cash payment by the owner of the new structure or structure to be remodeled to the school district, the dollar value, as mutually agreed to by the owner and the board of education, of any property or services provided by the owner of the property to the school district, whether by gift,
loan, or otherwise, and any payment by the legislative authority to the school district pursuant to section 5709.82 of the Revised Code.

The estimates of quantities used for purposes of division (A)(2) of this section shall be estimated by the legislative authority. The legislative authority shall certify to the board of education that the estimates have been made in good faith. Departures of the actual quantities from the estimates subsequent to approval of the agreement by the board of education do not invalidate the agreement.

(3) If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's execution of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such execution as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(B) Each agreement shall include the following information:

(1) The names of all parties to the agreement;

(2) A description of the remodeling or construction, whether or not to be exempted from taxation, including existing or new structure size and cost thereof; the value of machinery, equipment, furniture, and fixtures, including an itemization of the value of machinery, equipment, furniture, and fixtures used at another location in this state prior to the agreement and relocated or to be relocated from that location to the property, and the value of machinery, equipment, furniture, and fixtures at the facility prior to the execution of the agreement; the value of inventory at the property, including an itemization of the value of inventory held at another location in this state prior to the agreement and relocated or to be relocated from that location to the property, and the value of inventory held at the property prior to the execution of the agreement;

(3) The scheduled starting and completion dates of remodeling or construction of real property or of investments made in machinery, equipment, furniture, fixtures, and inventory;

(4) Estimates of the number of employee positions to be created each year of the agreement and of the number of employee positions retained by the owner due to the remodeling or construction, itemized as to the number of full-time, part-time, permanent, and temporary positions;

(5) Estimates of the dollar amount of payroll attributable to the positions set forth in division (B)(4) of this section, similarly itemized;
(6) The number of employee positions, if any, at the property and at any other location in this state at the time the agreement is executed, itemized as to the number of full-time, part-time, permanent, and temporary positions.

(C) Each agreement shall set forth the following information and incorporate the following statements:

(1) A description of real property to be exempted from taxation under the agreement, the percentage of the assessed valuation of the real property exempted from taxation, and the period for which the exemption is granted, accompanied by the statement: "The exemption commences the first year for which the real property would first be taxable were that property not exempted from taxation. No exemption shall commence after ........... (insert date) nor extend beyond ........... (insert date)."

(2) ".......... (insert name of owner) shall pay such real property taxes as are not exempted under this agreement and are charged against such property and shall file all tax reports and returns as required by law. If .......... (insert name of owner) fails to pay such taxes or file such returns and reports, exemptions from taxation granted under this agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and thereafter."

(3) ".......... (insert name of owner) hereby certifies that at the time this agreement is executed, .......... (insert name of owner) does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio, and does not owe delinquent taxes for which .......... (insert name of owner) is liable under Chapter 5733., 5735., 5739., 5741., 5743., 5747., or 5753. of the Ohio Revised Code, or, if such delinquent taxes are owed, .......... (insert name of owner) currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or such a petition has been filed against .......... (insert name of owner). For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Revised Code governing payment of those taxes."

(4) ".......... (insert name of municipal corporation or county) shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions."

(5) "If for any reason .......... (insert name of municipal corporation or county) revokes the designation of the area, entitlements granted under this agreement shall continue for the number of years specified under this agreement, unless .......... (insert name of owner) materially fails to fulfill its obligations under this agreement and ................. (insert name of municipal corporation or county) terminates or modifies the exemptions from taxation pursuant to this agreement."

(6) "If .......... (insert name of owner) materially fails to fulfill its obligations under this agreement, or if .......... (insert name of municipal corporation or county) determines that the certification as to delinquent taxes required by this agreement is fraudulent, .......... (insert name of municipal corporation or county) may terminate or modify the exemptions from taxation granted under this agreement."
(7) ".......... (insert name of owner) shall provide to the proper tax incentive review council any information reasonably required by the council to evaluate the applicant's compliance with the agreement, including returns filed pursuant to section 5711.02 of the Ohio Revised Code if requested by the council."

(8) "This agreement is not transferable or assignable without the express, written approval of .......... (insert name of municipal corporation or county)."

(9) "Exemptions from taxation granted under this agreement shall be revoked if it is determined that .......... (insert name of owner), any successor to that person, or any related member (as those terms are defined in division (E) of section 3735.671 of the Ohio Revised Code) has violated the prohibition against entering into this agreement under division (E) of section 3735.671 or section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections."

(10) "......... (insert name of owner) and ............ (insert name of municipal corporation or county) acknowledge that this agreement must be approved by formal action of the legislative authority of .......... (insert name of municipal corporation or county) as a condition for the agreement to take effect. This agreement takes effect upon such approval."

The statement described in division (C)(6) of this section may include the following statement, appended at the end of the statement: ", and may require the repayment of the amount of taxes that would have been payable had the property not been exempted from taxation under this agreement." If the agreement includes a statement requiring repayment of exempted taxes, it also may authorize the legislative authority to secure repayment of such taxes by a lien on the exempted property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property.

(D) Except as otherwise provided in this division, an agreement entered into under this section shall require that the owner pay an annual fee equal to the greater of one per cent of the amount of taxes exempted under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 3735.672 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee, but such waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 3735.672 or 5709.85 of the Revised Code.

(E) If any person that is party to an agreement granting an exemption from taxation discontinues operations at the structure to which that exemption applies prior to the expiration of the term of the agreement, that person, any successor to that person, and any related member shall not enter into an
agreement under this section or section 5709.62, 5709.63, or 5709.632 of the Revised Code, and no legislative authority shall enter into such an agreement with such a person, successor, or related member, prior to the expiration of five years after the discontinuation of operations. As used in this division, "successor" means a person to which the assets or equity of another person has been transferred, which transfer resulted in the full or partial nonrecognition of gain or loss, or resulted in a carryover basis, both as determined by rule adopted by the tax commissioner. "Related member" has the same meaning as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

The director of development shall review all agreements submitted to the director under division (F) of this section for the purpose of enforcing this division. If the director determines there has been a violation of this division, the director shall notify the legislative authority of such violation, and the legislative authority immediately shall revoke the exemption granted under the agreement.

(F) When an agreement is entered into under this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development within fifteen days after the agreement is entered into.

11. a. **Business requests the following incentives:**

   The Company requests the consideration of a Community Reinvestment Area (CRA) incentive.

   b. **Business’s reasons for requesting incentives (be quantitatively specific as possible):** The Company is considering one of its most significant capital expenses in its
supply chain division in the Company's history. This ~$140M - $150M investment to significantly expand the Company's existing space would help transform how it gets product to its customers and exceed the Company's customers' expectations. With the City's support, it would help the Company make the decision to make this investment in this area of the Company's enterprise, rather than a different investment for another initiative. The Company would be establishing this as a long-term investment that would employ Delaware residents for many years. Incentive support is necessary to provide the returns needed to make this investment viable.

Submission of this application expressly authorizes (The City of Delaware) to contact the Ohio Environmental Protection Agency to confirm statements contained within this application including item# 5 and to review applicable confidential records. As part of this application, the property owner may also be required to directly request from the Ohio Department of Taxation, or complete a waiver form allowing the Department of Taxation to release specific tax records to the local jurisdiction considering the request. (The Applicant agrees to supply additional information upon request.)

The Applicant affirmatively covenants that the information contained in and submitted with this application is complete and correct and is aware of the ORC Sections 9.66(C)(1) and 2921.13(D)(1) penalties for falsification which could result in the forfeiture of all current and future economic development assistance benefits as well as a fine of not more than $1,000 and/or a term of imprisonment of not more than six months.

** Attach to Final Incentives Agreements as Exhibit A
COMMUNITY REINVESTMENT AREA AGREEMENT
CITY OF DELAWARE and THE KROGER CO.

This agreement made and entered into by and between the City of Delaware, Ohio, a municipal government, with its main offices located at 1 South Sandusky Street, Delaware, Ohio 43015 and The Kroger Co., 1014 Vine St. Cincinnati, OH 45202, WITNESSETH;

WHEREAS, the City of Delaware has encouraged the development of real property and the acquisition of personal property located in the area designated as Community Reinvestment Area 141-1135-01; and

WHEREAS, The Kroger Co. desires to build a new 120,000 sq. ft. expansion on its currently owned facility at 2000 Nutter Lane, Delaware, OH 43015, Parcel #41822001007000. This PROJECT will take place within the boundaries of the aforementioned Community Reinvestment Area provided that the appropriate development incentives are available to support the economic viability of said PROJECT; and

WHEREAS, the Council of the City of Delaware, Ohio, by Resolution No. 01-52 adopted July 23, 2001, designated the area as a “Community Reinvestment Area” pursuant to Chapter 3735 of the Ohio Revised Code; and

WHEREAS, effective September 4, 2001, the Director of the Development Services Agency of the State of Ohio determined that the aforementioned area designated in said Resolution No. 01-52 contains the characteristics set forth in Section 3735.66 of the Ohio Revised Code and confirmed said area as Community Reinvestment Area #141-1135-01 under said Chapter 3735; and

WHEREAS, the City of Delaware, having the appropriate authority for the stated type of project desires to provide The Kroger Co. with incentives available for the development of the PROJECT in said Community Reinvestment Area under Chapter 3735 of the Ohio Revised Code; and

WHEREAS, The Kroger Co. has submitted an incentive application (herein attached as Exhibit A and incorporated herein by reference) to the City of Delaware (hereinafter referred to as "APPLICATION"); and

WHEREAS, The Kroger Co. has remitted the required state application fee of $750.00 made payable to the Ohio Department of Development with the APPLICATION to be forwarded to said department with a copy of the final agreement; and
WHEREAS, the Tax Incentive Negotiating Committee of the City of Delaware has investigated the APPLICATION of The Kroger Co., and has recommended the same to the Council of the City of Delaware on the basis that The Kroger Co. is qualified by financial responsibility and business experience to create and preserve employment opportunities in said Community Reinvestment Area and improve the economic climate of the City of Delaware; and

WHEREAS, the project site as proposed by The Kroger Co. is located in the Olentangy Local School District and the Delaware Area Career Center (per the attached resolutions authorizing the superintendents to act on behalf of the board) has been notified in accordance with Section 5709.83 and been given a copy of the APPLICATION; and

WHEREAS, pursuant to Section 3735.67(A) and in conformance with the format required under Section 3735.671(B) of the Ohio Revised Code, the parties hereto desire to set forth their agreement with respect to matters hereinafter contained;

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained and the benefit to be derived by the parties from the execution hereof, the parties herein agree as follows:

1. **The Kroger Co.** shall construct a new 120,000 sq. ft. building onto the existing facility at 2000 Nutter Lane in addition to making improvements to the existing facility.

   The PROJECT will begin August 1, 2019 and all construction will be completed by December 31, 2020. Any changes to the beginning and completion dates must be agreed to by formal resolution and an amended agreement.

2. **The Kroger Co.** shall create the equivalent of 1 new full-time equivalent (FTE) jobs at the Delaware facility. The job creation period begins **January 1, 2021** and all jobs will be in place by **December 31, 2023** (3 years or 36 months after the completion of the PROJECT per ORC 3735).

   This increase in the number of new employees shall result in at least FORTY-FIVE THOUSAND DOLLARS ($45,000) in total new annual payroll ($45,000 NEW FULL TIME PERMANENT PAYROLL) generated at the PROJECT site.

   As part of the expansion, **The Kroger Co.** also has committed to retaining their current 663 FTEs. Therefore, as part of this project, **The Kroger Co.** shall retain the 663 full-time equivalent (FTE) employees at **The Kroger Co.’s** Delaware facility until the expiration of this CRA agreement,
December 31, 2035, with a minimum existing payroll of $26,110,000 in addition to the newly created $45,000 payroll from the new FTEs (for a total of $26,155,000 in payroll).

3. Based on new job and payroll creation levels, the City of Delaware estimates an annual new employee income tax revenue amount of $832.50 ($45,000 payroll times the current income tax rate of 1.85%) for the PROJECT. If in any year after the first three year grace period of this Agreement the level of new payroll does not reach or falls below levels established by this Agreement, The Kroger Co. agrees to reimburse the City of Delaware for lost employee income taxes up to the full amount of $832.50. Should the City's income tax rates change, the reimbursement will be adjusted accordingly.

4. To the extent that The Kroger Co. substantially complies with the terms of this section 2 of this agreement, the company shall incur no income tax reimbursement penalty.

5. The Kroger Co. shall provide to the proper Tax Incentive Review Council any information reasonably required by the council to evaluate the enterprise's compliance with the agreement, including returns filed pursuant to section 5711.02 and 5727.08 of the Ohio Revised Code if requested by the council (ORC3735.671C7).

6. ADDITIONAL REQUIREMENTS:

The Kroger Co. shall make payments to the Olentangy Local Schools and Delaware Area Career Center in an amount equal to thirty percent (30%) of the real property taxes that would have been payable upon the increase in assessed value to the property resulting from the PROJECT but for the CRA Exemption benefit the districts’ educational initiatives. These payments shall be subject to the terms and conditions of a separate School Compensation Agreement between The Kroger Co., Olentangy Local Schools, Delaware Area Career Center and the City of Delaware. Per this agreement, The Kroger Co. will make these payments directly to the school districts upon receipt of invoices from Olentangy Local Schools and Delaware Area Career Center for the amounts and at the times established in the School Compensation Agreement.

If Ohio tax law changes result in no net tax incentive benefits (tax incentives offered through this agreement minus the school compensation payment is negative), The Kroger Co. may request that the City of Delaware Tax Incentive Review Council modify or terminate this agreement.

7. City of Delaware hereby grants The Kroger Co. a tax exemption for real property improvements made to the PROJECT site pursuant to Section
3735.67 of the Ohio Revised Code, which tax exemption shall be for fifteen (15) years in the following amounts:

The exemption commences the first full taxable year the facility is 100% complete. No exemption shall commence before January 1, 2021, nor extend beyond December 31, 2035. Said exemption shall be based on the increase on the assessed value of real property attributed to the real property improvements at the PROJECT site. **The Kroger Co.** must file the appropriate tax forms (DTE 23) with the County Auditor to effect and maintain the exemptions covered in the agreement.

8. **The Kroger Co.** shall pay an annual fee equal to the greater of one percent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars.

The fee shall be made payable to the City of Delaware once per year for each year the agreement is effective by December 31. This fee shall be deposited in a special fund created for such purpose and shall be used exclusively for the purpose of complying with Section 5709.68 of the Ohio Revised Code and by the Tax Incentive Review Council created under Section 5709.85 of the Ohio Revised Code exclusively for the purposes of performing the duties prescribed under that section.

9. Waiver Requirement (for jobs relocated within Ohio)
If the Director of Development has issued a waiver under Section 5709.633 of the Ohio Revised Code as a condition for the agreement to be executed, the following applies:

Continuation of this agreement is subject to the validity of the circumstances upon which **The Kroger Co.** applied for, and the Director of the Ohio Department of Development issued, the waiver pursuant to Section 5709.633 of the Ohio Revised Code. If, after formal approval of this agreement by the City of Delaware, the Director or the City of Delaware discovers that such a circumstance did not exist, **The Kroger Co.** shall be deemed to have materially failed to comply with this agreement. The formal waiver document shall be incorporated as an exhibit to this agreement and specifies conditions enumerated in Section 5709.633 of the Ohio Revised Code upon which the waiver was issued.

10. **The Kroger Co.** shall pay such real and tangible personal property taxes as are not exempted under this agreement and are charged against such property and shall file all tax reports and returns as required by law. If, after thirty days notice to **The Kroger Co.** that it has failed to pay such taxes or file such returns and reports, **The Kroger Co.** fails to remedy such failure, then all incentives granted under this agreement are
rescinded
beginning with the year for which such taxes are charged or such reports or returns are required to be filed and thereafter (ORC3735.671C2).

11. City of Delaware shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions (ORC3735.671C4).

12. If for any reason the Community Reinvestment Area designation expires, the Director of the Ohio Development Services Agency revokes certification of the area, or the City of Delaware revokes the designation of the area, entitlements granted under this agreement shall continue for the number of years specified under this agreement, unless The Kroger Co. materially fails to fulfill their obligations under this agreement and the City of Delaware terminates or modifies the exemptions from taxation granted under this agreement (ORC3735.671C5).

13. If The Kroger Co. materially fails to fulfill their obligations under this agreement, or if the City of Delaware determines that the certification as to delinquent taxes required by this agreement is fraudulent, the City of Delaware may terminate or modify the exemptions from taxation granted under this agreement and may require the repayment of the amount of taxes that would have been payable had the property not been exempted from taxation under this agreement.

14. (a) The Kroger Co. hereby certifies that at the time this agreement is executed, The Kroger Co. does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio, and does not owe delinquent taxes for which The Kroger Co. is liable under Chapter 5733., 5735., 5739., 5741., 5743., 5747., or 5753. of the Ohio Revised Code, or, if such delinquent taxes are owed, The Kroger Co. currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or such a petition has been filed against The Kroger Co. for the purposes of the certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

15. (a) The Kroger Co. affirmatively covenants that it does not owe: (1) any delinquent taxes to the State of Ohio or a political subdivision of
the State; (2) any moneys to the State or a state agency for the administration or enforcement of any environmental laws of the State; and (3) any other moneys to the State, a state agency or a political subdivision of the State that are past due, whether the amounts owed are being contested in a court of law or not.

(b) The Kroger Co. affirmatively covenants that it does not owe: (1) any delinquent taxes to the State of Ohio or a political subdivision of the State; (2) any moneys to the State or a state agency for the administration or enforcement of any environmental laws of the State; and (3) any other moneys to the State, a state agency or a political subdivision of the State that are past due, whether the amounts owed are being contested in a court of law or not.

16. The Kroger Co. and the City of Delaware acknowledge that this agreement must be approved by formal action of the legislative authority of the City of Delaware and approval and execution of this agreement by The Kroger Co. as a condition for the agreement to take effect (ORC3735.671C10).

17. The City of Delaware has developed a policy to ensure recipients of a Community Reinvestment Area tax benefits practice non-discriminating hiring in its operations. By executing this agreement, The Kroger Co. is committing to following non-discriminating hiring practices acknowledging that no individual may be denied employment solely on the basis of race, religion, sex, disability, color, national origin, or ancestry.

18. Exemptions from taxation granted under this agreement shall be revoked if it is determined that The Kroger Co. any successor property owner, or any related member (as those terms are defined in Division (E) of Section 3735.671 of the Ohio Revised Code) has violated the prohibition against entering into this agreement under Division (E) of Section 3735.671 or Section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections (ORC3735.671C9).

19. In any three-year period after the first three years of the agreement during which this agreement is in effect, if the actual number of full-time equivalent employees created or retained by The Kroger Co., averaged over the three year period in question, is not equal to or greater than 598 full-time equivalent (FTE) employees (such number being 90% of the 664 full-time equivalent positions to be created or retained under this Agreement), The Kroger Co. shall repay the amount of taxes on property that would have been payable had the property not been exempted from taxation under this agreement during that
three-year period. In addition, the City of Delaware may terminate or modify the exemptions from taxation granted under this agreement.

20. **The Kroger Co.** affirmatively covenants that they have made no false statements to the State or local political subdivision in the process of obtaining approval for the Community Reinvestment Area incentives. If any representative of **The Kroger Co.** has knowingly made a false statement to the State or local political subdivision to obtain the Community Reinvestment Area incentives, **The Kroger Co.** shall be required to immediately return all benefits received under the Community Reinvestment Area Agreement pursuant to Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any state agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). Any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code 2921.13(A)(4), which is punishable by a fine of not more than $1,000 and/or a term of imprisonment of not more than six months.

21. Other than a transfer or an assignment to an affiliate of The Kroger Co., this agreement is not transferable or assignable without the express, written approval of the City of Delaware.

22. **The Kroger Co.** acknowledges that if any person that is party to an agreement granting an exemption from taxation discontinues operations at the structure to which that exemption applies prior to the expiration of the term of the agreement, that person, any successor to that person, and any related member shall not enter into an agreement under Section 3735.671 or sections or sections 5709.62, 5709.63, or 5709.632 of the Ohio Revised Code, and no legislative authority shall enter into such an agreement with such a person, successor, or related member, prior to the expiration of five years after the discontinuation of operations. As used in this division, ‘successor’ means a person to which the assets or equity of another person has been transferred, which transfer resulted in the full or partial non-recognition of gain or loss, or resulted in a carryover basis, both as determined by rule adopted by the tax commissioner. ‘Related member’ has the same meaning as defined in section 5733.042 of the Ohio Revised Code without regard to Division (B) of that section (ORC3735.671E).

23. **The Kroger Co.** hereby represents that they have full authority to act, negotiate, and execute this agreement.
IN WITNESS WHEREOF, the City of Delaware, Ohio, by R. Thomas Homan, its City Manager, and pursuant to Resolution __-__ adopted on______________, has caused this instrument to be executed this_______day of ____________ 2018, and The Kroger Co. has caused this instrument to be executed on this ____________________day of _________2018.

School Compensation Agreement
The Kroger Co.
Community Reinvestment Area #141-1135-01

This agreement between the City of Delaware, a municipal corporation, with its offices at 1 South Sandusky Street, Delaware, Ohio 43015; Olentangy Local School District Board of Education, a public school district, with its principal offices at 7840 Graphics Way, Lewis Center, OH 43035; Delaware Area Career Center Board of Education, a public school district with its principal offices at 4565 Columbus Pike, Delaware, OH 43015, and The Kroger Co., 1014 Vine St., Cincinnati, OH 45202 specifies the manner in which and procedures to be used pursuant to Ohio Revised Code 3735 authorizing general compensation relating to the Community Reinvestment Area tax abatement for the construction of a new 120,000 sq. ft. expansion on its currently owned facility at 2000 Nutter Lane, Delaware, OH 43015, Parcel #41822001007000 (the “PROJECT”) in Delaware’s Community Reinvestment Area #141-1135-01.

WHEREAS, the Community Reinvestment Program, pursuant to Chapter 3735 of the Ohio Revised Code authorizes cities and counties to grant real property tax exemptions on eligible new investments; and

WHEREAS, the Council of the City Council of Delaware, Ohio, by Resolution No. 01-52, adopted July 23, 2001, designated the area as a “Community Reinvestment Area” pursuant to Chapter 3735 of the Ohio Revised Code; and

WHEREAS, effective September 4, 2001, the Director of Development of the State of Ohio determined that the aforementioned area designated in said Resolution No. 01-52 contains the characteristics set forth in Section 3735.66 of the Ohio Revised Code and confirmed said area as Community Reinvestment Area #141-1135-01 under said Chapter 3735; and

Whereas, effective April 15, 2004, a Delaware Area Career Center Board of Education resolution authorized the Superintendent to act on its behalf to negotiate, approve, and define terms and conditions on any Tax Incentive Agreement; the minutes of the May 29, 2019 Tax Incentive Negotiating Committee document the Superintendent’s approval; and

Whereas, the City of Delaware within Ordinance Number ___ adopted on __________, 2019, has acted pursuant to ORC 3735 to grant a tax exemption to The Kroger Co. and entered into a formal Community Reinvestment Area abatement agreement on ________ , 2019 (the “Community Reinvestment Area Agreement”); and

Whereas, Item 6a of the Community Reinvestment Area Agreement relating to the PROJECT requires compensation to the Olentangy Local School District and Delaware Area Career Center for the sole benefit of educational initiatives.
Now therefore, in consideration of the foregoing and of the mutual promises, covenants, and agreements hereinafter set forth by the City of Delaware, Olentangy Local School District, Delaware Area Career Center, and The Kroger Co. agree as follows:

Section 1. The Kroger Co. shall make payments to the Olentangy Local Schools and Delaware Area Career Center in an amount equal to thirty percent (30%) of the real property taxes that would have been payable to the Olentangy Local Schools and Delaware Area Career Center upon the increase in assessed value to the property resulting from the PROJECT but for the CRA exemption for fifteen (15) years in accordance with the terms and conditions set forth in Item 6a of the Community Reinvestment Area Agreement. Payments shall be made upon the Kroger Co.’s receipt of invoices per the instructions set forth in Item 6a of the Community Reinvestment Area Agreement, and the first payment shall be due September 30, 2022 so long as the CRA exemption commences in tax year 2021 pursuant to Section 7 of the Community Reinvestment Area Agreement. If the CRA exemption commences after tax year 2021 pursuant to Section 7 of the Community Reinvestment Area agreement, the first payment shall be made by September 30th of the following calendar year.

Section 2. The cash payments made by The Kroger Co. to the Olentangy Local School District and Delaware Area Career Center satisfies ORC Section 5709.82(C)(2) (School Compensation Agreement is mutually acceptable) and shall be used for educational initiatives for the sole benefit of the Olentangy Local Schools and the Delaware Area Career Center, as follows:

a. Olentangy Local School District 30%
b. Delaware Area Career Center 30%
c. Total 30%

Section 3. This agreement may be amended or modified by the parties, only in writing, signed by all parties to the agreement or by applicable law changes.

Note: All parties agree that if Ohio tax reform results in no net tax incentive benefits (if the sum of tax incentives offered through the Community Reinvestment Area Agreement minus the school compensation payment is negative), THE KROGER CO. may request that the City of Delaware Tax Incentive Review Council recommend agreement modification or termination. No School Compensation payment is required if there is no net tax benefit to THE KROGER CO.

Section 4. This agreement sets forth the entire agreement and understanding between the parties as to the subject matter contained herein and merges and supersedes all prior discussions, agreements, and undertakings of every kind between the parties with respect to the subject matter of this agreement.
Section 5. All payments, certificates, reports, and notices which are required to or may be given pursuant to the provisions of this agreement shall be sent by regular mail, postage prepaid, and shall be deemed to have been given or delivered when so mailed to the following addresses:

REQUEST
2019-1727: A request by J. Jill Properties LLC., for a Rezoning at 50 West William Street from B-3 (Community Business District) to B-2 (Central Business District) on approximately 0.119 acres.
2019-1728: A request by J. Jill Properties LLC., for a Combined Preliminary and Final Development Plan for The Rice Building at 50 West William Street on approximately 0.119 acres zoned B-2.

PROPERTY LOCATION & DESCRIPTION
The subject building is located at 50 West William Street which is north of West William Street and west of North Franklin Street. The zoning of the property is B-3 (Community Business District), as are the properties to the immediate north, west, and south. Properties to the east are zoned B-2 (Central Business District). The subject site is also located in the Transitional Sub-District of the Downtown Historic District Overlay.

BACKGROUND/PROPOSAL
The applicant purchased the subject parcel in May 2018 and proceeded in a lengthy Phase I and Phase II Environmental Assessment that was completed, due to the property being a former gas station. Fortunately, the property received a ‘No Further Action’ determination after the required remediation. In addition to this expenditure, the Applicant hired a licensed contractor to inspect and remove asbestos from the building in preparation for demolition. Then the owner retained an architect and proceeded through the Historic Preservation Commission process. On July 24, 2019, the Historic Preservation Commission approved the demolition and design, materials and color of the construction of a new building at 50 West William Street. Now the owner is requesting a Rezoning to B-2 and Combined Preliminary and Final Development Plan to advance this project to construction.

The owner is requesting to demolish the existing building and to construct a two story building while retaining the nine parking spots fronting North Franklin Street. The building footprint would be moved approximately 18 feet south from the previous building while maintaining the nine parking spaces fronting North Franklin Street. The first story will be a boutique-style fitness center while the second floor would be an apartment with a private elevator and a garage.

STAFF ANALYSIS
- **ZONING:** As previously mentioned, the property is zoned B-3 which allows commercial uses including the boutique-style fitness use but not any residential uses. The proposed B-2 zoning district allows dwelling units on upper floors of commercial or office buildings. Almost the entire downtown core of Delaware (which is located east across North Franklin Street from the subject site) is zoned B-2 which has several apartments above downtown commercial and office uses. Also, the Comprehensive Plan Future Land Use Map recommends Mixed Use future land use for this property and the surrounding properties. The proposed B-2 zoning complies with this mixed land use recommendation by mixing commercial, office, and residential uses. Therefore, the proposed B-2 zoning district with commercial and office uses on the first floor and residential on the second floor would achieve compliance with the land use plan. In conclusion the proposed rezoning and extending the B-2 zoning across North Franklin Street appears to be a practical extension of the zoning district for a use that is compatible to the existing downtown uses and the land use plan.

- **GENERAL ENGINEERING:** Per the Engineering Department, the proposed use requires minor work and would have to achieve compliance with storm water quality design requirements. A formal set of engineering drawings would not be required.

- **SITE CONFIGURATION:** The proposed two-story approximate 4,000 square foot building would be located approximately five feet from the West William Street right-of-way with nine parking spaces fronting North Franklin Street while the existing single story building is located approximately 23 feet from West William Street with nine parking spaces fronting North Franklin Street. Therefore the proposed building would be
located approximately 18 feet closer to West William Street. The proposed location would be more usable for the owner from a design perspective. The main entrance for the first floor commercial use would be on the North Franklin Street elevation while a secondary access would be on the West William Street elevation. The main entrance for the second floor residential use would be on north elevation through a staircase along with the garage for the residential use. With the rezoning to B-2, the subject building would meet the building setback requirements in the B-2 zoning district which generally allows construction up to the primary street line. The owner and second floor tenant would likely utilize tip cart refuse service with the carts located in a storage area under the steps on the north elevation.

- **BUILDING DESIGN:** As mentioned above, the Historic Preservation Commission approved the building design, materials and colors on July 24, 2019. The proposed approximately 4,000 square foot two-story rectangular-shaped structure will have a façade of primarily red brick, paired with a smooth-finish horizontal cement-fiber board siding with a 4” exposure and painted a deep navy blue. The gable-style roof will be covered with black architectural asphalt shingles, with vertical cement-fiber board siding in the gable ends, and harkening to the majestic former residential homes on the same side of the block to its north. Windows will be single or double with divides, two-over-two, wood aluminum-clad double-hung windows in black. On the south (side) elevation second floor and facing West William Street, wood double entry doors (similar in style to the east elevation commercial unit front entry door) will open from the residential unit onto a small black 5”x12” wood balcony with a black wrought iron guardrail to accommodate a small bistro table and two chairs. The balcony will be supported by structural load-bearing wood columns, thereby also creating a covered porch for the first floor underneath. The first floor covered porch will also have wood double entry doors, identical to those above it, opening from the commercial space onto the porch. On the east (front) elevation, the main entrance to the first floor commercial space will be on North Franklin Street via a wood entry door flanked by sidelights. A black shed-type awning is planned above the entrance, preferably in a metal material as first choice or a taut Sunbrella-type fabric material as a second choice. The west (rear) elevation wall (facing the Willis Education Center parking lot behind a ~10 foot high chain link fence) must be, per the State Building Code, a 2-hour fire-rated wall with no openings or penetrations. This wall will be clad with a smooth-finish horizontal cement-fiber board siding with a 4” exposure painted a deep navy blue. Three black shuttered faux windows will be situated on the second floor residential level. The north (side) elevation serves as the entrance to the second floor residential unit. The north-facing one-car garage will have a wood carriage-style door and will contain a small elevator acting as an interior entrance to the second floor apartment. A stained wood exterior stair situated in the rear on the northwest corner of the building will also lead to and from the second floor and act as egress. The wood entry door will have 50% glass and will be covered by a black shed-type metal or taut Sunbrella-type fabric awning to match the awning on the east (front) elevation. Under the stairs, trash receptacles will be screened in an 8 foot high wood fenced enclosure painted black.

- **SIGNAGE:** The applicant is requesting a nine square foot pedestrian-oriented projecting sign with the business name that will be located to the side of the entry door on the west elevation (North Franklin Street). The proposed sign would have to achieve compliance Historic District Overlay requirements.

- **LIGHTING:** The owner is proposing black metal lantern-style light fixtures to be placed at building entrances, and security and emergency exit lighting will be installed on the building, as required by code. No light pole(s) or other type of lighting is being proposed at this time.

- **TREE REMOVAL & REPLACEMENT:** There are two large trees located on the subject site but the City Arborist has determined both trees are dead, damaged, diseased and/or invasive species and would not have to be replaced per Chapter 1168 Tree Preservation Requirements.

- **LANDSCAPING & SCREENING:** The applicant would have to install street tree(s) along West William Street but would have to achieve compliance with minimum site distance requirements. No other landscaping is provide or required based on the proposed layout based on the zoning code.
STAFF RECOMMENDATION (2019-1727 – REZONING)
Staff recommends approval of a request by J. Jill Properties LLC., for a Rezoning at 50 West William Street from B-3 (Community Business District) to B-2 (Central Business District) on approximately 0.119 acres, with the following condition:
1. Any change of use and/or new structure(s) shall require achieve compliance with B-2 zoning requirements.

STAFF RECOMMENDATION (2019-1728 – COMBINED PRELIMINARY & FINAL DEVELOPMENT PLAN)

50 West William Street – Current Status:

We, Jill and Jeff Rice, had been in contract on 50 West William Street since September 12th 2017, and closed on the property on May 3, 2018.

The delay in closing was largely due to the property having formerly been a gas station, and the associated risks of owning such properties. After extensive Phase I, Phase II and remediation, the property was deemed, ‘No Further Action’ from an environmentally-certified company. In addition to this, there was an asbestos inspection completed, which resulted in removal by licensed contractor.

As was stated in our submission to HPC and City of Delaware, in November 2017, the property has been vacant since 2013 and is in very bad condition.

There is no HVAC and no plumbing. Also, water has caused severe damage to the south/southwest part of the building, which is being held up by temporary supports with angle iron and ratchet straps. In addition, interior sewer lines have been jack-hammered out of the floor and there are many broken windows. It is our understanding that 50 West William St contains no features of architectural or historic significance.

The property has been reviewed by different architects and contractors; all have deemed the property to be not usable in its current condition and cost prohibitive to rehab or remodel, and therefore must be demolished.
50 West William Street – Proposed Plan:

Our request is to build a two-story building, with the same site configuration, including historic parking, on the property. The building would essentially be where the existing structure is located, but in a more usable configuration.

The proposed two-story rectangular-shaped structure that will be a mix of brick and cement-fiber board siding, and will be approximately 4,000 sq. feet.

The first story will house a boutique-style fitness studio. We have owned and operated private, boutique fitness studios in Fairlawn and Hudson, OH, for 10 + years, prior to relocating to the Columbus area, to be near family. Having lived in the downtown area for nearly 9 years, we see an opportunity to use our experience and bring this type of service/business to downtown Delaware.

The second story will house a large-upscale rental apartment with private elevator and garage parking. Due to the building not being able to be rehabbed, we had to develop a business plan to cover the cost of constructing a new building. The solution is to have additional income from the rental. On a side note, our mother/mother-in-law will move into the second story, which will move her closer to us and our children, as well as bring another full-time resident into the downtown Delaware corridor.

Additionally, we live in the NW neighborhood, within walking distance to this property and are active in the Delaware community with our 4 children. In short, we want to fully embrace the growth of downtown Delaware and bring a family-owned and operated healthy-life style service to the community.

We also intend to use local architects, contractors, employees and will abide by zoning/building requirements. As part of our proforma, we will hire 4-6 people within the first 18 months of opening.

Additionally, we will not compromise area parking, as our fitness classes will range in size from 6 – 12 clients at a time, mainly offering classes in the morning and early evening.

With this, we ask for the support of the Historic Preservation Commission.

Thank you,

Jill and Jeff Rice

2018-1965: A request by Makapa LLC., for approval of a Rezoning Amendment for Belle Commons Business Park on approximately 11.128 acres (parcels 419-122-01-027-000 & 419-122-01-029-000) from R-3 (One-Family Residential District) to R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road.

2018-1966: A request by Makapa LLC., for approval of a Conditional Use Permit allowing the placement of PMU (Planned Mixed Use Overlay District) to be established for Belle Commons Business Park on approximately 11.128 acres (parcels 419-122-01-027-000 & 419-122-01-029-000) and located on the north side of Belle Avenue and the east side of Liberty Road.

2018-1967: A request by Makapa LLC., for approval of a Preliminary Development Plan for Belle Commons Business Park on approximately 11.128 acres on property zoned R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road.

2018-1968: A request by Makapa LLC., for approval of a Preliminary Subdivision Plat for Belle Commons Business Park on approximately 11.128 acres on property zoned R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road.

PROPERTY LOCATION & DESCRIPTION
The subject site, which encompasses two parcels, contains 11.128 acres and is located at the northeast corner of Liberty Road and Belle Avenue. The subject site is zoned R-3 (One-Family Residential) as are the properties to the north, south and east while the properties to the west are zoned M-2 (General Manufacturing District).

BACKGROUND/PROPOSAL
The applicant is proposing to rezone their subject 11.128 acre property which encompasses two parcels and vacated right-of-ways to be made part of the project. The property is located at the northeast corner of the Liberty Road and Belle Avenue intersection. The property's existing zoning is R-3 (One-Family Residential District) while the owner is proposing a rezoning to R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay). The proposed development would allow light industrial/office uses as detailed in the zoning text. A tree preservation area would be established just northeast of the Liberty Road and Belle Avenue intersection and along the eastern portion of site.

STAFF ANALYSIS

• COMPREHENSIVE PLAN: The Comprehensive Plan Future Land Use Map recommends a future land use of High Density Single Family for the subject site in the Near South that does not allow light industrial uses and/or office uses for the subject site.

The subject site is a quintessential "transition area" with single family homes home to the east and south while to the west is large heavy industrial use (Liberty Castings) and to the north is a ball field/park area owned by a local church. Staff believes the subject proposal with approved development text and conditions would be an appropriate transition in this area as is possible for the following reasons:

• The applicant had four single family residential lots platted adjacent to the existing single family homes to the east and south last year.
• The applicant is proposing a tree preserve (existing wooded area) at the southwestern portion of the site along Belle Avenue and Liberty Road to buffer the proposed single family lots and the existing single family lots along the south side of Belle Avenue to the proposed business park.
• The applicant is proposing a tree preserve along the eastern portion of the site adjacent to the existing single family homes to the east.
• The proposed light industrial/office land use is accessed off Liberty Road only and is adjacent to Liberty Casting which is a heavy industrial use and the uses proposed by the applicant are significantly less intense than heavy industrial uses but could create an appropriate transition with the aforementioned wooded tree preserves adjacent to the existing single family homes. This is especially true given that the current zoning is residential on the development site which would not be allowed under the proposed development text. Therefore, it appears the proposed development would be compatible with surrounding land uses for the aforementioned reasons with the approved development text. Ensuring that this development is of appropriate size, scale and buffering is of paramount importance to ensuring an appropriate transitional use.

• ZONING: As previously mentioned, the zoning for the subject site is R-3 which permits single family uses but not the business park uses proposed. Therefore, staff suggested and the applicant agreed to pursue a requested a Planned Mixed Use Overlay (PMU) District to prepare a specific plan and zoning text that is compatible with and provides a reasonable transition to the adjacent single family and industrial land uses. The PMU Overlay ultimately gives the City the most control of the proposed uses and plan now and into the future while providing some flexibility to the applicant to cluster the proposed development on a portion of the site while permanently preserving the wooded portions of the site. The PMU is the only true planned district in the City of Delaware zoning toolbox that allows an Applicant and the City to craft a zoning solution unique to the site and needs of this particular development. In this instance, the preservation of wooded portions of the site adjacent to the single family uses that provides buffering to the proposed light manufacturing uses can be most effectively achieved by using a PMU Overlay rather than simply applying a different base or overlay district available for consideration under the current Zoning Code. The PMU approach allows the applicant to craft a zoning text that is able to support a different development pattern while ensuring the City has retained, and in many cases gained, control of the development to ensure a very specific and higher quality development than which could otherwise be achieved through a base zoning district. The applicant does have certain rights of use and development available under the current R-3 zoning district which permits single family uses which would permit a single family subdivision adjacent to a heavy industrial use which would not likely be appropriate from a land use perspective while not creating the highest and best use for the subject property from an economic development perspective. Along with the zoning amendment to a PMU, the zoning process would also require Conditional Use Permit, Preliminary Development Plan and Preliminary Subdivision Plat by the Planning Commission and City Council. In addition, a Final Development Plan and likely Final Subdivision Plat (if divided into more than two lots) would need to be approved by the Planning Commission and City Council prior to construction of any future building.

• GENERAL ENGINEERING: The applicant needs to obtain engineering approvals, including any storm water and utility issues that need to be worked out through the Engineering and Utilities Departments. All comments regarding the layout and details of the project are preliminary and subject to modification or change based on the final technical review by the Engineering Department once a complete plan set is submitted for review.

• ROADS AND ACCESS: The subject development would have a full movement curb cut from Liberty Road that would extend into a cul-de-sac to access the over six acre site that could be divided into up to six lots. The proposed private drive would have to be constructed to public standards per the City Engineer.

• PEDESTRIAN CONNECTIVITY: The adopted Bicycle and Pedestrian Master Plan 2017 identifies a bike path along Liberty Road but does not designate a specific side on the street. Per the City Engineer, a five foot wide concrete sidewalk will be required along the east side of Liberty Road starting at the north end of the site. To avoid the need for a pedestrian bridge or culvert crossing of an existing stream, no sidewalk will be required south of the stream along Liberty Road. Furthermore, due to the proximity of the stream adjacent to Belle Avenue, sidewalk will not be required adjacent to Belle Avenue west of the Belle Avenue culvert. Rather, the sidewalk alignment shall follow along the north side of the stream from Liberty Road to the eastern most limit of the site along Belle Avenue. To provide pedestrian connectivity to the south side of Belle Avenue, a pedestrian crossing shall be installed in the vicinity of the Belle Avenue Park, which may include a mid-block crossing. This sidewalk and the Belle Avenue pedestrian crossing shall be installed prior to any final occupancy approval for the first building in the subject development.
SITE CONFIGURATION: The subject development, which is over 6 acres, could be divided into six lots with a full movement curb cut from Liberty Road that would extend into a cul-de-sac. Also, there are two tree preserves in this development. One is located at the southwestern portion of the site along Liberty Avenue and Belle Road which is approximately 2.398 acres while there is a tree preserved along the eastern portion of the site adjacent to the single family homes which is 1.455 acres. Specific site details of each lot would need to be identified during the Final Development Plan and Final Subdivision Plat process.

BUILDING DESIGN: While the PMU Overlay has many benefits for both the City and the Applicants, perhaps the most significant benefits are the control upon the use and the architectural and building material design control it allows the City and negotiated flexibility it offers the applicants to produce a development that is better than one that would be executed under a base zoning designation. The proposed uses would require buildings to be constructed of steel siding with a stone veneer wainscoting per the development text.

LANDSCAPING & SCREENING: The applicant would need a comprehensive landscape plan that includes street trees, front yard trees, foundation landscaping and perimeter buffering for the subject development. All landscaping plans shall be reviewed and approved by the Shade Tree Commission.

TREE REMOVAL & REPLACEMENT: A tree survey has been provided that documents the total number, type, size, and health of trees to be preserved and replaced. Tree removal and replacement shall meet requirements of Chapter 1168 along with the following replacement schedule and fee/replanting requirements per the approved development text:
   i) Trees in poor condition shall not be replaced (dead, damaged or diseased).
   ii) Trees in fair condition shall be replaced at 50%.
   iii) Trees in good condition shall be replaced at 100%
   iv) Ash trees shall not be replaced and must be removed from the site.
   v) Other tree species considered by the City Arborist to be a species of poor quality will be considered as such with a 0% replacement value.
   vi) Based upon the submitted and verified survey, the number of caliper inches removed is 694 caliper inches).
   vii) Per the submitted and verified survey, the owner is preserving 675 caliper inches of trees which includes two tree reserve areas which are located on the eastern and southwestern portions of the site respectively.
   viii) Therefore, the owner shall be required to make a payment of $1,900 (694 caliper inches removed – 675 caliper inches preserved = 19 total caliper inches removed x $100 per caliper inch). The tree replacement payment shall be paid prior to any approval of building permits.

GATEWAYS & CORRIDORS PLAN: Any proposed signage would need to be documented during the Final Development Plan approval process. Also, any monument signage shall achieve compliance with the minimum zoning requirements and the adopted Gateways & Corridors Plan.

LIGHTING: A lighting plan that identifies light poles and building lights with an illumination plan would need to be submitted during the Final Development Plan approval process. Any light poles would need to be black with a maximum height of 25 feet and have fully recessed and cut off-style fixtures. All lighting plans would need to be submitted, reviewed and approved by the City and achieve compliance with the minimum zoning requirements.

CONDITIONAL USE PERMIT: The proposed development achieves compliance with conditional use permit requirements per the zoning code and approved development text.
STAFF RECOMMENDATION (2018-1965 – REZONING AMENDMENT)
Staff recommends approval of a request by Makapa LLC., for a Rezoning Amendment for Belle Commons Business Park on approximately 11.128 acres (parcels 419-122-01-027-000 & 419-122-01-029-000) from R-3 (One-Family Residential District) to R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road, with the following conditions that:

1. Any change of land use shall require conformance to all provisions of the Development Text and any conditions of approval.

STAFF RECOMMENDATION (2018-1966 – CONDITIONAL USE PERMIT)
Staff recommends approval of a request Makapa LLC., for a Conditional Use Permit allowing the placement of PMU (Planned Mixed Use Overlay District) to be established for Belle Commons Business Park on approximately 11.128 acres (parcels 419-122-01-027-000 & 419-122-01-029-000) and located on the north side of Belle Avenue and the east side of Liberty Road.

STAFF RECOMMENDATION (2018-1967– PRELIMINARY DEVELOPMENT PLAN)
Staff recommends approval of a request by Makapa LLC., for a Preliminary Development Plan for Belle Commons Business Park on approximately 11.128 acres on property zoned R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road, with the following conditions that:

1. The applicant needs to obtain engineering approvals, including any storm water and utility issues that need to be worked out through the Engineering and Utilities Departments. All comments regarding the layout and details of the project are preliminary and subject to modification or change based on the final technical review by the Engineering Department once a complete plan set is submitted for review.

2. The number of required parking spaces shall in accordance with the approved development text and approved Final Development Plan.

3. The proposed buildings shall achieve compliance with the design standards of the approved development text.

4. There are two preserves with one located at the southwestern portion of the site along Liberty Avenue and Belle Road which is approximately 2.398 acres while a second tree preserve is located along the eastern portion of the site adjacent to the single family homes which is 1.455 acres and they shall be within an easement with the appropriate language that would need to be reviewed and approved by staff and then be recorded at the county.

5. The applicant shall be required to pay a tree replacement fee calculated at $1,900 per the submitted tree survey to achieve compliance with Chapter 1168 Tree Preservation Regulations along with the approved development text.

6. Street trees shall be installed along Liberty Road per the zoning code during the Final Development Plan process.

7. Any landscape plans shall be reviewed and approved by the Shade Tree Commission.

8. A lighting plan shall be reviewed and approved by the City per Chapter 1158 Lighting Plan during the Final Development Plan process.

9. Any signage shall be documented on the Final Development Plan and achieve compliance with the adopted Gateways and Corridor Plan.

10. The entire development shall achieve compliance with the minimum engineering, public works and fire department requirements.

11. A sidewalk shall be required along Liberty Road and a sidewalk shall be required along Belle Avenue with a pedestrian crossing per the City Engineer. The sidewalks and the Belle Avenue pedestrian
crossing shall be installed prior to any final occupancy approval for the first building in the subject development.

STAFF RECOMMENDATION (2018-1968– PRELIMINARY SUBDIVISION PLAT)
Staff recommends approval of a request by Makapa LLC., for a Preliminary Subdivision Plat for Belle Commons Business Park on approximately 11.128 acres on property zoned R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay District) and located on the north side of Belle Avenue and the east side of Liberty Road, with the following conditions that:

1. The applicant needs to obtain engineering approvals, including any storm water and utility issues that need to be worked out through the Engineering and Utilities Departments. All comments regarding the layout and details of the project are preliminary and subject to modification or change based on the final technical review by the Engineering Department once a complete plan set is submitted for review.

2. The number of required parking spaces shall in accordance with the approved development text and approved Final Development Plan.

3. The proposed buildings shall achieve compliance with the design standards of the approved development text.

4. There are two preserves with one located at the southwestern portion of the site along Liberty Avenue and Belle Road which is approximately 2.398 acres while a second tree preserve is located along the eastern portion of the site adjacent to the single family homes which is 1.455 acres and they shall be within an easement with the appropriate language that would need to be reviewed and approved by staff and then be recorded at the county.

5. The applicant shall be required to pay a tree replacement fee calculated at $1,900 per the submitted tree survey to achieve compliance with Chapter 1168 Tree Preservation Regulations along with the approved development text.

6. Street trees shall be installed along Liberty Road per the zoning code during the Final Development Plan process.

7. Any landscape plans shall be reviewed and approved by the Shade Tree Commission.

8. A lighting plan shall be reviewed and approved by the Chief Building Official per Chapter 1158 Lighting Plan during the Final Development Plan process.

9. Any signage shall be documented on the Final Development Plan and achieve compliance with the adopted Gateways and Corridor Plan.

10. The entire development shall achieve compliance with the minimum engineering, public works and fire department requirements.

11. A sidewalk shall be required along Liberty Road and a sidewalk shall be required along Belle Avenue with a pedestrian crossing per the City Engineer. The sidewalks and the Belle Avenue pedestrian crossing shall be installed prior to any final occupancy approval for the first building in the subject development.
1. DESCRIPTION OF DEVELOPMENT

Makapa, LLC is proposing to rezone their subject 11.128 acre property which encompasses two parcels (parcels 419-122-01-027-000 & 419-122-01-029) and includes vacated right-of-ways. The property is located at the northeast corner of the Liberty Road and Belle Avenue intersection. The property’s existing zoning is R-3 (One-Family Residential District) while the owner is proposing a rezoning to R-3 PMU (One-Family Residential District with a Planned Mixed Use Overlay). The proposed development would include manufacturing/lighting industrial/office land uses. A tree preservation area would be established just northeast of the Liberty Road and Belle Avenue intersection and along the eastern portion of site.
2. GENERAL DEVELOPMENT STANDARDS

A. **Purpose and Intent.** It is the intent for this site to develop for manufacturing/light industrial/office uses. This Development Text represents the zoning requirements for this development as agreed upon between the developer and the City.

B. **Conformance with Codified Ordinances and City Policy.** Unless noted otherwise within this development text, all development will be constructed and provided in conformance with the then current Codified Ordinances and City Policy in effect at the time of application.

C. **Limitations.** Nothing in this text shall prohibit additional restrictions or requirements from being placed on the approval of any Final Development Plan.

D. **Major Modifications.** Once a Final Development Plan has been approved by City Council, any subsequent major modification to that plan shall only be permitted by resubmission and approval of a revised Final Development Plan through the procedures set forth in the Zoning Code. Major modification for the purposes of this text shall mean any modification of the approved Final Development Plan, as determined by the Director of Planning & Community Development, that results in:

1. Any major change in the use or occupancy other than those uses specifically listed in this text.
2. Major change in the approved location of land uses or land use sub-areas and building sizes of more than 10%.
3. Substantial alteration of the basic geometry, including right-of-way width, and/or operation characteristics of any element of the approved access points and parking facilities that results in a change in operating characteristics or character.

E. **Minor Modifications.** Once a Final Development Plan has been approved by City Council, any subsequent minor modification to that plan shall only be permitted by resubmission and approval by the Director of Planning and Community Development of a revised Final Development Plan. Minor modification for the purposes of this text shall mean any modification of the approved Final Development Plan, as determined by the Director of Planning & Community Development, that results in:

1. Any modification that is not considered a major modification by this Zoning Text or by determination of the Director of Planning & Community Development.
2. Any minor change to the use or occupancy of the structures onsite other than those uses specifically allowed in this text or any minor changes to the approved site layout.
3. Minor alteration of the basic geometry, including right-of-way width, and/or operation characteristics of any element of the approved access points and parking facilities that results in a change in operating characteristics or character.
4. Minor structural alterations that do not alter the overall design intent of the building.
3. **Preliminary & Final Development Plan.** The proposed development will require Preliminary and Final Development Plan approval by the Planning Commission and City Council.

a) **Tree Removal and Replacement.** A tree survey has been provided that documents the total number, type, size, and health of trees to be preserved and replaced. Tree removal and replacement shall meet requirements of Chapter 1168 along with the following replacement schedule and fee/replanting requirements per the approved development text:
   
i) Trees in poor condition shall not be replaced (dead, damaged or diseased).
   
ii) Trees in fair condition shall be replaced at 50%.
   
iii) Trees in good condition shall be replaced at 100%
   
iv) Ash trees shall not be replaced and must be removed from the site.
   
v) Other tree species considered by the City Arborist to be a species of poor quality will be considered as such with a 0% replacement value.
   
vi) Based upon the submitted and verified survey, the number of caliper inches removed is 694 caliper inches.
   
vii) Per the submitted and verified survey, the owner is preserving 675 caliper inches of trees which includes two tree reserve areas which are located on the eastern and southwestern portions of the site respectively.
   
viii) Therefore, the owner shall be required to make a payment of $1,900 (694 caliper inches removed – 675 caliper inches preserved = 19 total caliper inches removed x $100 per caliper inch). The tree replacement payment shall be paid prior to any approval of building permits.

4. **Proposed Use**

The project is located at the northeast corner of Liberty Road and Belle Avenue which encompasses approximately 11.128 acres (parcels 419-122-01-027-000 & 419-122-01-029) which includes approximately 0.404 acres of vacated right-of-way. The subject development would contain a maximum of six new manufacturing/light industrial/office lots approximately one acre each that will access Liberty Road via a new private street full movement curb cut. Two tree preserves totaling 3.853 acres are located within the site, one along the eastern portion of the site (1.455 acres) and one along the southern portion of the of the along Liberty Road and Belle Avenue (2.398 acres), to provide a buffer to the adjacent single family lots. Based on market demand, the owner may elect to develop the property as one lot or up to six lots while maintaining the one access full movement curb cut to Liberty Road. Also, the length of the proposed private street may vary based on the site layout.

5. **Site**

A. **Uses.** The following uses shall be considered permitted, conditionally permitted, or limited uses as represented in the chart below by P, C, or L, respectively, and as defined by attached Chapter 1121 of the Zoning Code. Any use not listed in the chart shall be considered a prohibited use unless amended by action of the Planning Commission and City Council through a Zoning Amendment process.

   (1) **Permitted Uses.** Permitted uses are permitted by-right and shall meet all development standards specified within this text and the Zoning Code, as applicable.
(2) **Conditionally Permitted Uses.** In addition to all standards specified within this development text, uses listed as conditionally permitted uses shall meet all the then current Zoning Code standards for approval of a Conditional Use Permit current at the time of application for the specific conditional use as well as any other regulations contained within the Zoning Code and applicable to the conditional use.

(3) **Limited Uses.** Limited uses shall be considered permitted uses subject to complying with all the specific limitations and restrictions as specified within this text as determined by Final Development Plan approval.

(4) **Accessory Uses and Structures.** Although not specified in the chart below, accessory uses, which are considered allowed uses, include those items that are customarily incidental and secondary to the principal use of the land. Such items include but are not limited to signs, fences, trash receptacles and enclosures, and off-street parking areas. If the uses are specified as conditional or limited uses the processes and limitations shall apply regardless of accessory use status.

(5) **Prohibited Uses.**

ix) **Adult Entertainment Businesses:** (also known as sexually oriented businesses) are expressly prohibited from locating anywhere on the proposed Development site.

x) **Wireless telecommunication facilities including installations known as small cell sites and Distributed Antenna Systems (DAS):** Towers are expressly prohibited from the entire Development area. Small cell sites, DAS, antennas, and/or amplifiers may be permitted so long as they are completely camouflaged so as to be not visible either within an enclosed building or the structure to which they are attached if external. These shall be reviewed individually administratively for compliance with these regulations.

xi) **Medical Marijuana:** No medical marijuana principal or accessory uses are permitted on the subject site.

xii) **Games of Skill:** Accessory or principle for-profit, non-charitable, skill based gaming uses oriented towards adults and designed to substantially mimic gambling devices such as but not limited to spinning skill stop games but not including traditional video arcade type games typically found in restaurant/party center arrangements, for example Dave & Buster’s, Magic Mountain, and Chuck E. E. **Maximum Building Height.** The maximum height of any building or structure in Sub-Area A shall be 50 feet as measured from finished floor elevation to the highest point of the roof.

F. **Building Design.** All buildings regardless of use shall consist of steel siding combined with stone veneer water table or similar approved products as the exterior material. To create a cohesive and unified design throughout the entire development, each building shall be consistent in overall design, color, material, and architectural pattern as determined through the Final Development Plan review process and substantially similar to the following elevations.

1. Accessory structures such as enclosures for dumpsters and other similar structures shall consist of brick, stone, or similar approved products as the exterior material and be designed in a consistent and cohesive manner to the principal building in which it serves.

2. Mechanical Equipment shall be screened from public view from all sides of the building through the use of parapets, equipment screens, or other screening measures as deemed appropriate. The height of such screening shall be equivalent to the height of the highest mechanical equipment.

G. **Parking.** The amount of parking shall achieve compliance with Chapter 1161 Parking; except as otherwise approved on the Final Development Plan.
H. **Landscaping and Screening.** All landscaping shall meet the requirements of Chapter 1166 Landscaping and Screening Regulations and the Gateways & Corridors Plan; except as otherwise approved on the Final Development Plan.

I. **Lighting.** Building, site, and accent lighting shall be provided in accordance with Chapter 1158 Lighting Plan.

J. **Signage.** A comprehensive sign plan shall be provided and approved in conformance with Section 1165 and will be provided as part of the Final Development Plan.

K. **Roads.** Any new road(s) to be constructed within the development shall comply with the City minimum requirements or as approved by the City Engineer. The engineering drawings for such improvements shall accompany the submittal of the Final Development Plans for the subject phase. Also, a sidewalk would be required along the east side of Liberty Road that shall extend south to the existing stream and along Belle Avenue on the north side of the stream from Liberty Road to the eastern most limit of the site per the City Engineer.

L. **Utilities.** Any new or existing utilities(s) to be constructed and/or extended within the development shall comply with the City minimum requirements or as approved by the City Director of Utilities. The engineering drawings for such improvements shall accompany the submittal of the Final Development Plans for the subject phase.

RESOLUTION 19-40

A RESOLUTION ADOPTING THE 2020-2024 FIVE-YEAR CAPITAL IMPROVEMENT PLAN (CIP).

WHEREAS, a revised Five-Year Capital Improvements Plan was prepared and submitted to City Council in accordance with Article XVII, Section 79 of the City Charter; and

WHEREAS, City Council has considered the proposed plan and has determined that it shall be the future public improvement plan for the City of Delaware; and

WHEREAS, Article XVII, Section 80 of the City Charter requires that City Council adopt, by resolution, the Five-Year Capital Improvements Program on or before October 15; and

WHEREAS, City Council will review the 2020-2024 CIP at Work Sessions before October 14.

WHEREAS, Council discussed possible amendments to the plan which may be considered as part of the adopted 2020 budget.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Delaware, State of Ohio:

SECTION 2. That this resolution shall take effect and be in force immediately after its passage.

CITY CLERK    MAYOR
DISCUSSION ITEM A:

Rule Suspension Guidelines
Guidelines for Ordinance Readings

1. As a general rule, legislation amending the Delaware Codified Ordinances, adopting the annual budget, and adjusting City employee compensation, will proceed to three readings.

2. Except in very rare circumstances, development projects will generally follow the following: go to at least two readings.
   a. When a formal public hearing is required by code (such as but not limited to Conditional Use Permits and Zoning Amendments) a minimum of 2 readings shall be required. Applicants may reasonably expect that cases will receive the full 3 readings unless no members of the public testify in opposition to the project at the public hearing, Council may vote on the second reading.
   a-b. When a formal public hearing is not required by code (such as but not limited to Development Plans and Plats), City Council will consider approving cases at the first reading. Applicants may reasonably expect that Council will take additional readings in order to receive additional information, if there is public comment in opposition to the project, or other reasons as Council may see fit.
   b. Re-development projects that do not require a public hearing may be approved at the first reading.
   c. In the event that Council has canceled a regularly scheduled meeting that would otherwise have been the second reading, it may proceed on the first reading if the Applicants need to demonstrate they will suffer substantial adverse economic impact by waiting for additional readings but Council shall take as many readings as they deem necessary to receive comment and information sufficient to make a decision in their sole judgement.
   d. Applicants shall be made aware of these guidelines but shall also be informed that Council might take the legislation-development case to three or more readings and plan accordingly when preparing their application.

3. Council might suspend the rules on the first reading in the following circumstances:
   a. Emergencies/ Unexpected circumstances which prevented staff from putting the item on the agenda earlier.
   b. Uncontroversial items such as legislation accepting grants, entering into intergovernmental agreements, and authorizing routine financial transactions.
   c. Time Sensitive legislation which requires an effective date before another meeting can be scheduled.
   d. Economic Incentives Offered Pursuant Pre-Approved Economic Development Incentive Plan (EDIP).
4. In the event a motion to suspend the rules is made during the first reading, the public will be given an opportunity to address council prior to the vote on the agenda item.

5. When staff is requesting that Council suspend the rules requiring three readings, staff will indicate why a rule suspension is necessary in its recommendation included in the council packet. When possible, staff will provide insight as to why the item was not placed on the agenda earlier.
