It is a condition of any award, under this notice and any resulting bid, that bidders shall deliver at prices quoted, unless the bid is withdrawn in accordance with the following paragraph.
3. No bid may be withdrawn for a period of sixty (60) days after the date of opening. If not accepted within such a period, a bid may be withdrawn without prejudice anytime thereafter, except, a bidder for a contract with the City of Delaware may withdraw a bid from consideration if the price bid was substantially lower than other bids submitted in good faith and the reason for the price bid was a clerical mistake as opposed to a judgmental mistake and was actually due to an unintentional and arithmetical error or an unintentional omission of a substantial quantity of work, labor or material made directly in compliance of the bid. The Purchasing Agent shall reply to all such inquiries. Verbal interpretations will not be honored and must not be relied upon. In case of a discrepancy or violation of the Ohio Revised Code or the Delaware City Codified Ordinances, in the Bid Documents, an addendum will be issued to clarify the matter. It is the responsibility of each individual holding Bid Documents to confirm with the Purchasing Agent that they have received all addenda.

6. The City reserves the right to waive any informalities or irregularities. In accordance with Section 9.312 of the Ohio Revised Code, The City will award the contracts hereunder to the lowest and best bid as determined by the City.
