## **City Seeks Vets Once Stationed at Sister City Military Base**

**DELAWARE** – The City of Delaware is looking for a few good men and women who may have been stationed at U.S. Army Garrison Rheinland-Pfalz, Baumholder, Germany. The City of Delaware has had a Sister City partnership with Baumholder since 2011.

This spring, Baumholder will dedicate its Golden Angel Cultural Center, highlighting the post-World War II history between the 11,000-troop garrison and Baumholder. The Center hopes to display a group photograph of Delaware Army veterans who stayed at the garrison. Veterans who were stationed in Baumholder are asked to contact City Council clerk Elaine McCloskey at 740-203-1013 or email [emccloskey@delawareohio.net](mailto:emccloskey@delawareohio.net) by March 30 to be included in the photo to be taken in Delaware.
