*Hidden Valley Golf Course is owned and operated by the City of Delaware which is largely financed through City income tax dollars. Therefore, in order to be considered a resident in our fee process, you must live or work within the Delaware city limits or be the spouse or child (17 years or younger) of such person living in the same household. "Non-Residents" applies to all others. Even though you may have a 43015 zip code or live within the Delaware City School District, you may not live within the Delaware City limits. Non-Residents do not financially contribute to Delaware City services though taxes and therefore will pay a higher membership rate. *This will be verified.*
Memberships are valid January 1-December 31. Hidden Valley Golf Course is open for business April 1 through October 31 and may operate during the months of November through March weather permitting (50+ degrees). Final decision will be at the discretion of HVGC management

The following are descriptions of the various Hidden Valley Golf Course Season Membership classifications:
