

City of Delaware Ohio
Water Treatment Plant Lime Removal Project
Addendum #1
September 16, 2015

Question:

Since this is a service or maintenance type contract are you requiring the contractor bidders to supply just all the insurance and workers comp coverage or do we have to utilize a bond as well?

Answer:

Yes. Every contractor is required to submit a Bid Guarantee with their bid. If the bid is awarded the Bid Guarantee rolls over to a Contract Bond. The successful bidder will then submit a Certificate of Insurance naming the City of Delaware as an additional insured.
