It is easy if you have a car. However if you live in town and need to walk or bike is difficult to go to an actual grocery store. Kroger, Meijer, Walmart, Aldi are all outside of town and not very accessible the a sidewalk or without going down busy roads. The places you can go in town (drug stores, gas stations, dollar stores) do not carry a full selection of groceries and are overpriced.

I have to leave downtown to get groceries. Would be nice to have a grocery closer to city center

I'm a retired senior citizen who loves to walk to downtown. I, too, would like to see a grocery store within walking distance of the center city.
