 We need a by pass around Delaware. It takes way too long to get across town because of all the traffic that could go around the city.
- 
Anonymous user's Opinion Responded D Easy
 Love the 23 North & South access ramps off N. Sandusky St.!!
- 
Anonymous user's Opinion Responded A Very difficult
 Too many vehicles in too small of space. With the horrible roads and multiple traffic lights, going from the west side of town to east is a nightmare.
- 
Anonymous user's Opinion Responded B Difficult
 Getting from the east side to the west side is horrible. Too much traffic being funneled through downtown. Really need a bypass to keep the truck traffic going from the freeway to 23 out of downtown.
- 
Anonymous user's Opinion Responded C Neither easy nor difficult
 Merrick connecting to Troy would be an improvement, make connection and travel to and from the high school much more efficient for much of the north side, even gaining access to Houk Rd to continue south.
